1. Attendance – Action – All

We would like to advise parents that school commences at 8.50 – the registers will remain open until 9.05 for unforeseen one off circumstances that unfortunately make your child late. If your child arrives between 8.50 and 9.05, they will need to report to reception and will receive a 'L' in the register. Any time after 9.05 will result in a 'U' which means late after register has closed. West Sussex County Council have asked us to communicate to parents that if a child receives 10 unauthorised marks in the register (this could be any combination of late after registration, unauthorised holiday in any 10 week school period, they could face a fixed penalty notice being issued.

2. Sports New – All – Information
