## Introduction

The Violent Vikings were fierce warriors from Scandinavia. They were sometimes peaceful and traded since they needed materials. If you want to learn more about the vile Vikings and know everything about them you should carry on reading my report and become an expert.

## Viking clothes

Vikings wore simple clothes that suited their environment. Vikings wore strong, leather clothes since it was cold outside. Every couple of days, the fierce warriors hunted to get leather and furs to make clothes and die them. They wore strong, heavy belts since they needed to carry swords and lots more. The attackers wore leather shoes so they could travel and sometimes they wore a
