

WALT: To use slow writing to plan my resolution.

Snake arrived back at the beautiful, winding forest happier than had ever been known.

---

He slithered enthusiastically towards the gathering crowd of animals.

---

"Meet my friend Bird," said Snake. "She helped me escape from under the fallen tree".

---

"We needed to have courage and work together," declared Bird proudly. "I definitely could not have done it alone".

---

Bird and Snake were now the best of friends.
