Chesswood Junior School

Autumn Award Booklet

1. Introduction

Celebrating a wide range of achievements and accomplishments is a key part of promoting success and motivating children to ever higher performance. We recognise that all children possess different strengths and qualities that will guide them on their journey. The awards are separated into groups and we seek to acknowledge pastoral achievements such as exceptional friendship; alongside academic achievement attainment (current performance), progress (how much performance has improved) and effort (the amount of work undertaken e.g. IXL questions answered). This we hope will ensure the broadest possible recognition of the best in every child. Each award is intentionally challenging. Therefore, when secured, it is a truly impressive achievement!

This booklet sets out the award winners for the autumn term

We very much hope you enjoy celebrating the genuine fantastic effort and achievements of so many children at Chesswood Junior School.
