Please note: This is your assessed piece of work DUE FRIDAY 05/02/20 and therefore you must send a photo of it to your teacher by Friday 2.30pm.

Open the 'Classification Week 5 Assessment Piece' PDF to go through the lesson slides.

Activity 1: Complete the Variation Worksheet to recap how it works. If you find this too difficult, you can do the 'Simpler Variation Worksheet' instead, you do not need to do both!

Activity 2: (Assessed) You have 30 minutes to complete this task. You may wish to spend longer if you want to be more creative. Try to complete the 2-chilli challenge unless you think it is too difficult (in which case, complete 1-chilli). Go the extra mile if you think you're up to the challenge! (Additional 20HP for completing 3-chilli task!)

- **3 Chilli challenge (go the extra mile) – Classify something of your choice! E.g., Haribo, revels, animals etc.**
- **2 chilli challenge - Create a 'Classification key' of your own to classify the liquorice all sorts (you can cut these out from slide 6/7 or draw them instead).**
- **1 chilli challenge - Using the classification key provided on the slide (5/7) fill in the gaps of the dolly mixture key – you need to create the questions.**

WALT: create our own classification key
Assessment piece!
Please email this work to your teacher by 2.30pm today.

First - a recap.

Classification keys are ways of identifying living things through a series of questions.

For example:

Does it have wings?
Does it have more than four legs?
Does it live on land?

Assessment: You have 30 minutes to create your own classification key.
Please record in your book.

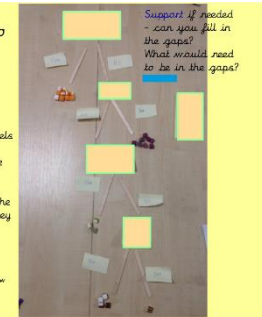

3 chilli - can you classify something of your choice without the resource? Eg revels or animals.
2 chilli - Using the liquorice allsorts provided, create a classification key.
1 chilli - fill in the gaps of the dolly mixture classification key beside this.

We will provide you with images of dolly mixtures that you can cut out stick if needed OR you could just draw into your book.

2 chilli: These are the liquorice allsorts for you to create your key with.

Step 1 - think - how could you classify these sweets?

<p>Music</p>	<p>Activity: In the 1960s, music was evolving into many styles. Artists were experimenting and expressing themselves in ways they had never done before. See 60s Knowledge Organiser There are several suggested songs on the Knowledge Organiser I'd like you to listen to. These are only suggestions! There are hundreds more. Listen to other pieces of music by The Beatles, The Rolling Stones, The Kinks, The Beach Boys, The Who and The Small Faces. Again, these are only examples of good bands at the time. Ask your family what their favourite 60s bands or songs were. Even if your immediate family were not born in the 1960s, they will have a favourite! Do a search yourself and have a listen. Do you have any preferences? Make a list. I'd love to hear from you. – Mrs Cossins <i>Please email your work to your class teacher and cc' Mrs Cossins in too!</i></p>	<p>60s Knowledge Organiser PDF https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=11070&type=pdf</p>	<p>20</p>

Chesswood Junior School – Daily Learning – Year 6 – 2.02.2021

Now that you have made a delicious stir-fry in year 6, why not try another cooking task of your choice? There are 5 recipes to choose from or you could find your own online/using a recipe book from home.

If you find your own recipe, perhaps you could write the ingredients list and method and send it to your teacher so that others could try it at home too.

Be sure to use your cookery skills to stay safe and send photos to your teacher of you making it and of the finishing product if you can.
