

NASTY WRITING!

L1

Adverbials give us more information about a verb (action). They can tell us *how*, *where*, *when*, *why* or *how often*. Today, let's focus on time (*when*) and place (*where*). They can go at the beginning (fronted!) or in another part of the sentence.

Write 1-2 sentences using adverbials of time or place to talk about what is happening in the picture.

Use these to help, or come up with your own:
