What do Christians believe happened next?

The wine ran out during the celebration. Jesus said they had to take all the jars they could find and fill them with water but when they drank them they found it was wine! The people thought that the best wine had been saved until last.

What else might Christians believe happened?

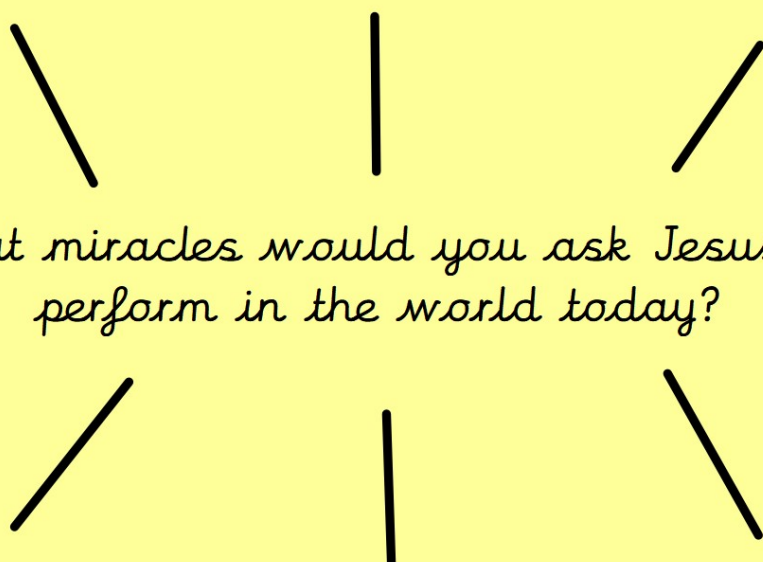

The disciples realised that Jesus had performed his first miracle and that something special had just happened - he was about to fulfil his role on Earth.

Some Christians may not have believed this is true as he had not performed any miracles before and was just their friend.

What do YOU think happened?

Write what you think really happened - this is your opinion.

write down:*

*What miracles would you ask Jesus to
perform in the world today?*
