## Task 1

Highlight or underline the words below that match with either of these rules (some don't!) Use two different colours - one for the first rule and a different colour for the second. (Answers at the bottom of the page).

## Task 2 - Practise your spellings

If you're struggling with these spellings, practise them by completing these activities for each of your spelling words:

### Rainbow Writing

Write your words over and over, each time on top of the last but in a different colour to create a rainbow word

### Water wash

Use a paintbrush and water to write your words outside on concrete or pavement

If you're confident with your spellings, complete these activities for each of your spelling words:

Write a multi clause sentence which includes a spelling word and a subordinating conjunction (ISAWAWABUB).

If you can, ask someone to test you on your spelling words and continue to practise the ones you got wrong. You get 1 HP for each correctly spelt word!

2. thorough, rough, courage, couple,
