

# NASTY WRITING!

Monday

Pronouns are used to replace the noun to avoid repetition.

## Pronouns

### Personal Pronouns

| Singular | Plural |
|----------|--------|
| I        | we     |
| me       | us     |
| you      | you    |
| he       | they   |
| she      | them   |
| him      |        |
| her      |        |
| it       |        |
| us       |        |

Use pronouns to replace the noun, to avoid repetition.

One of the disadvantages for parents having to homeschool include having to motivate their children to learn, encourage their children to work to a high standard and handle any difficulties that their children may struggle with.

One of the disadvantages for parents having to homeschool include: having to motivate their children to learn, encourage them to work to a high standard and handle any difficulties that they may struggle with.

## Monday Pronouns

### Personal Pronouns

| Singular | Plural |
|----------|--------|
| I        | we     |
| me       | us     |
| you      | you    |
| he       | they   |
| she      | them   |
| him      |        |
| her      |        |
| it       |        |
| us       |        |

Change the sentence to add in pronouns to avoid repetition.

Parents are enjoying spending extra time with their children, however parents are also struggling to complete day-to-day tasks. This is making parents frustrated, and this is not having a good impact on how the parent feels.
