The Friday at the end of the 2 weeks - Spelling Test

It would be brilliant if an adult at home could test you on your spellings on the busy Friday of the 2 week cycle.

Just like we do in school, if they could read you the word, put it into a sentence and then repeat the word again. You can then take a few moments to write the word carefully before moving on.

For example:
 1) 'Incredible'. The zoo was absolutely incredible! The word is 'Incredible'.

possible	terribly
possibly	visible
horrible	visibly
horribly	incredible
terrible	incredibly
