<p><b>Music</b></p>	<p>The Beatles, whether you like their music or not, were revolutionary! From 1963 to 1970, The Beatles wrote music that was unlike anything written before or since. Everybody has their own favourite Beatles song. Ask your family. What favourites do they have? Record these or let Mrs Cossins know!</p> <p style="text-align: center;"><b>See 'The Beatles' Knowledge Organiser.</b></p> <p><b>Key albums to listen to are:</b> A Hard Day's Night (1964), Rubber Soul (1965) Revolver (1966) Sgt Pepper's Lonely Hearts Club Band (1967), White Album (1968) and of course, Abbey Road (1969). Have a listen to some Beatles and let Mrs Cossins know of any favourites you have.</p> <p><b>Extension:</b> Do a mini project on The Beatles or another 60s band. Who were the band members and what did they play? Songs/albums? Why they were so popular at the time? Why you like their music?</p>	<p><b>21.02.22 - Beatles KO PDF</b></p>	<p>20</p>	
<p><b>Geography</b></p>	<p>For this half term you will be exploring settlements. To begin with we can think about what we have learnt before in lower school. Why did the Saxons settle where they did? What else do you know about settlements? If you were going to settle somewhere and build a home, what natural resources would you want nearby? Discuss some of these questions or ideas with a friend on the phone or with an adult at home to help compare your ideas on what a good settlement would look like. Use the worksheet to explore the advantages and disadvantages of the settlements in the image. You can draw a table on paper if you do not have a printer.</p>	<p><b>Lesson one pdf</b> <b>Lesson one worksheet pdf</b></p>	<p>20</p>

Put your engineer hat on and get ready to construct a masterpiece! This grid has 6 different activity ideas for you to choose from. They take a lot of patience and some planning/resourcing, so take your time and have fun when making!

Plan-Make-Evaluate

Go the extra mile by evaluating your final product, would you do anything differently next time to make the process easier or to make the final piece more functional? Is it aesthetically pleasing to look at? If not, could it be? Could you write a how-to-guide so someone else could make one too? Good luck! *Please send photos to us!*

## 18.01.21 – We are Engineers Lockdown Learning Tasks PDF

30

Now that you have made a delicious stir-fry in year 6, why not try another cooking task of your choice? There are 5 recipes to choose from or you could find your own online/using a recipe book from home.

If you find your own recipe, perhaps you could write the ingredients list and method and send it to your teacher so that others could try it at home too.

*Be sure to use your cookery skills to stay safe and send photos to your teacher of you making it and of the finishing product if you can.*
