

NASTY WRITING!

Lesson 3

What is personification?

Personification is when you give human qualities to an object or animal.

It is another writing technique that we can use to engage our reader and make our stories sound really effective!

Example

The wind sang her mournful song through the falling leaves.

This is **personification** because wind cannot sing.
Humans can sing.

NASTY WRITING!

Lesson 3

Your task today:

Link the 2 halves of the sentences together, ensuring that the personification used matches the rest of the sentence.

Lightning danced

My alarm clock yells

The stairs groaned

The ivy wave its fingers

The wind howled

around the fence.

in the night.

at me every morning.

as we walked on them.

across the sky.
