

NASTY WRITING!

Lesson 1

Example: We **might** be able to go to the beach, if it stops raining.

Use a modal verb to change these sentences to indicate a degree of possibility.

David speaks three languages.

Those earrings are very expensive.

Then, create sentences which include modal verbs to indicate possibility.

Ext: can you include a form of parenthesis in your sentences?

You Do It Alone

(Independent)

Ideas for answers:

David might speak three languages
David couldn't speak three languages.

Those earrings could be very expensive.
Those earrings won't be very expensive.
