<p><b>Writing</b></p>	<p>Happy return to you all whether you're in school or not! As we did before Lockdown we will be posting new resources weekly for children isolating at home to work through. If you have any questions about these resources or need some help please email either Mr Hicks or your class teachers and they will get back to you when they can.</p> <p>Our new writing topic is going to be balanced arguments and we will be working on these for the next three weeks. This week we will be looking at what a balanced argument is and how you could write one; the type of language you'll need to use; how to structure a good argument; and, how to identify good arguments both for and against.</p> <div data-bbox="831 564 1223 898" data-label="Image"> <p>For a balanced argument we have to present both arguments equally</p> </div> <div data-bbox="280 1107 698 1394" data-label="Image"> </div> <p>We will also be thinking about and talking about what kind of learning behaviours and learning skills we will need to develop to help us to become more independent learners. Please also work through the Turbo GPS and Nasty writing activities that we have also uploaded and linked.</p>	<p>Writing – balanced arguments:  <a href="https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=14526">https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=14526</a></p> <p>Turbo GPS:  <a href="https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=14533">https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=14533</a></p> <p>Nasty Writing:  <a href="https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=14527">https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=14527</a></p>

# Chesswood Junior School – Weekly Learning

## Maths

For Maths this week we going to be trying something a bit different. As lots of us have struggled a bit with some of the recent fraction work that we've been doing we're going to revisit the core elements of this learning and make sure that we have a good understanding of what a fraction is and where we will see them and need to use them in our daily lives. If you are working from home please work through the flip and resources at your own pace.

Please also remember to practise you written methods using the questions we've uploaded and linked!

Again, very good luck and remember to contact your class teacher with any questions you might have, to show them some of your excellent work and to let them know how you're getting on!
