Week 10 Lesson 2

WALT: spell words with suffixes

What is a root word?

A root word is the smallest part of a word which is what the word starts off as.

WALT: spell words with suffixes

What is a suffix?

A group of letters that are added to the end of a word to change its meaning.

See how many suffixes you can spot in the video.

How does the meaning of the word change when a suffix is added?

If a suffix **starts with** a consonant letter, it is usually added straight on without changing the root word.

+ment

+ness

+ful

Look at these spellings and decide if they follow this rule or not.
Let's check! Click on each word.

enjoy**ment** Yes! The suffix is added straight on to the root word: enjoy+**ment**

sad**ness** Yes! The suffix is added straight on to the root word: sad+**ness**

care**ful** Yes! The suffix is added straight on to the root word: care+**ful**

play**ful** Yes! The suffix is added straight on to the root word: play+**ful**

plain**ness** Yes! The suffix is added straight on to the root word: plain+**ness**

There is an exception to this rule.

To add **-ment** to the word
'**argue**', you must remove the '**e**'
before adding the suffix.

argue + **ment** → argu~~e~~ment → **argument**

Look carefully at these spellings. The root words all have more than one syllable and end in a **-y** with a consonant before it.

Root word

Suffix

merry**y** + ment = merriment

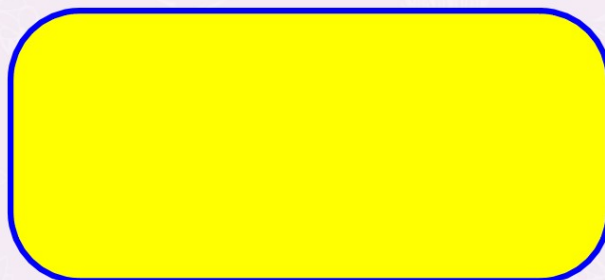

happy + ness = happiness

plenty**y** + ful = plentiful

Can you and your friend think of a rule for adding a suffix to a word that has more than 2 syllables and ends in -y with a consonant before it?

If a word has **more than 2 syllables** and ends in **-y** . . .

Score points for your team by answering the questions behind each square. Click on a box and write your answer on a whiteboard.

enjoyment

sadness

careful

playful

plainness

argument

merriment

happiness

plentiful

cheerful

WALT: spell words with suffixes

Read the words below. Can you spot the suffixes?

Highlight the suffix. e.g. sadly

Then write out the root word and suffix.

	Root word		Suffix
badly =		+	
sadness =		+	
playful =		+	
hopeless =		+	
careful =		+	
enjoyment =		+	

Complete the task sheets.

WALT: spell words with suffixes

Use this word list and write the words in your spelling books using a different colour for the root and the suffix.

Write them in groups based on their suffix.
Can you think of any other words with these suffixes and add them in?

WALT: spell words with suffixes

Look at the spelling word list. Identify the root word and the suffix. What happens to the root word when you add a suffix? What are the rules?

Group the words by the suffixes and identify the rules for adding suffixes?

Week 10 Lesson 3

(15mins)

High
Frequency:
Insert missing
words.

Match definitions of words for your spellings.

High Frequency Words

Insert the correct spelling word into the sentence below.

there me just

help they out

	Could you me with this please?
 went to the park.
	Please can you put that book over
	The cat needs to go into the garden.
	Will you pass the pencil?
	I can't believe this!

Match the spelling word to the correct definition. Write the correct spelling next to the definition.

badly sadness playful
happily hopeless careful

	Cheerful and having a lot of energy
	Having little or no hope
	In a bad manner or with no skill
	Done with care and effort
	The condition or quality of being sad
	In a happy way

Match definitions of words for your spellings.

Read the clue and write the correct word next to it.

Select the correct spelling from this list, you will not need all of these words.

happily hopeless careful
 enjoyment happiness thoughtful
 penniless

	Done with care and effort
	The fact or condition of being happy or glad
	Having no money at all
	In a happy way
	Having or showing careful thought
	The state or act of enjoying
	Having little or no hope

Write definitions for your spelling words.

In your spelling book, write a definition for at least 5 of the words from the spelling list.

badly sadness playful happily
 hopeless careful enjoyment happiness
 thoughtful penniless plainness merriment
 plentiful usually
