

I can use and spell words correctly with the suffix -ation.

The suffix -ation can be added to verbs to make nouns. Like this: inform + ation = information.

1. Make nouns from these verbs, using the suffix -ation. Remember you may have to follow some spelling rules.

Rule 1: When a word ends in a 'y' change to 'i' before the suffix -ation is added.

Rule 2: The silent 'e' at the end of a root word is dropped before adding -ation.
