

# How Many Ways?

You have a pile of **10** and **100** coins.

**Make 230**

**Level 1:** I can find a way.

**Level 2:** I can find different ways.

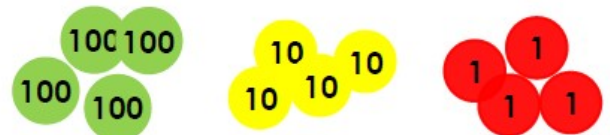

**Level 3:** I know all the ways it can be done.

To find my second answer I used one less... and...

**Extend:** Agree or disagree: '250 can be made in more ways than 230'.

## Agree or Disagree?

Numbers made with 9 coins  
are always bigger than  
numbers made with 4 coins

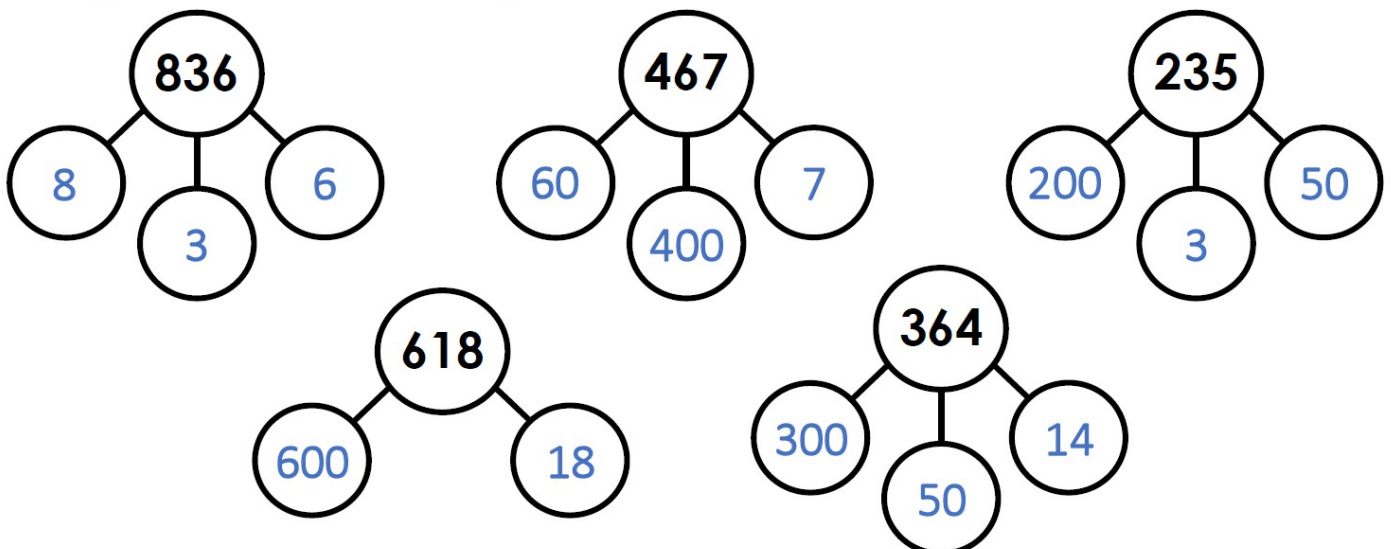

231 can be made  
without using any  
100 coins

It's possible to make... using...

To make a number like... you need...

To make... you only need...

## Agree or Disagree? ✓ or ✗

For the incorrect answers, explain the mistakes.
