

Subject	Activity	Resource Links
<p>Reading</p>	<p>This week in our reading we're carrying on looking at explanation/ non-fiction texts to help us with our current piece of writing and so our Reading Comprehension is all about Robots that find meteorites in Antarctica! Please also make sure that you are reading for at least 30 minutes every day! And don't forget that there are loads of Reading videos both from World Book Day and also Miss Usher reading The Boy Who sailed the Ocean in an Armchair on Chesswood Youtube.</p>	<p>Guided reading flip-pages:</p> <p>Reading comprehension text and questions: https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=14965</p>
<p>Spellings</p>	<p>Please practise your weekly spelling words (see your homework sheet) and we've made up two online games to help you with this.</p>	<p>Wordwall Games: https://wordwall.net/resource/13767269 https://wordwall.net/resource/13767555</p>
<p>Writing</p>	<p>Hi All and we hope all's well and that you all had a lovely Easter break! As we did before Lockdown we will be posting new resources weekly for any children isolating at home to work through. If you have any questions about these resources or need some help please email either Mr Hicks or your class teachers and they will get back to you when they can.</p>  <p>This is the second week of our exciting new writing topic for Year 5 during which we're going to be writing our own rainforest survival guides. To begin with this week we're going to be writing a comprehensive plan which we'll use to write our guides – please work through the flip and use the planning template for this. After that we will work on what makes a good introduction and have a go at writing our own. In the next session we will practise using our plans to produce a cohesive piece of writing and in the final session we will start writing our survival guides.</p>  <p><i>Snakes</i> <i>Crocodiles</i> <i>Spiders</i> <i>Mosquitoes</i></p>	<p>Writing – explanations: https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=14966</p> <p>Nasty Writing: https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=14952</p> <p>Turbo GPS: https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=14955</p> <p>Resources: https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=14953 https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=14950 https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=14957</p>

We will also be thinking about and talking about what kind of learning behaviours and learning skills we will need to develop to help us to become more independent learners. Please also work through the Turbo GPS and Nasty writing activities that we have also uploaded and linked.

Maths

In response to government guidance over how to best cover the Maths curriculum following on from our recent lockdown experiences we are going to be revisiting parts of our Maths curriculum in order to ensure that the core Maths curriculum is fully understood and that as many of our Year 5 children as possible are ready and fully prepared for Year 6 next year. This will mean some re-capping and will also mean that some children may feel that the work being offered is too easy for them. If this is the case for your child we would ask the following: 1) Please ask them to really think about their reasoning as this is an immensely important skill that they will need to develop further; 2) Use the extension resources uploaded and linked opposite; 3) If this is not enough please contact your class teacher and we will happily provide more work for you.

Please see the resources opposite and please also make sure that you look carefully at our key vocabulary lists as they will really help you and especially with your reasoning. If there are any words on the list that you are unsure about please email your teachers and ask. If you are working from home please work through the flip and resources that we've uploaded and linked.

Please also remember to practise your written methods using the questions we've uploaded and linked!

Again, very good luck and remember to contact your class teacher with any questions you might have, to show them some of your excellent work and to let them know how you're getting on!
