

I can use and spell words correctly with the suffix -ly.

The suffix -ly can be added to adjectives to make adverbs.
Like this: kind + ly = kindly.

1. Make adverbs from these adjectives, using the suffix -ly.

Adjective	Adverb
a) complete	
b) personal	
c) comical	
d) final	
e) silent	
f) eventual	
g) tragic	
h) magic	

2. In your book write a sentence for each of your -ly words.
