

Week 2 Day 1

Remember: Pencil, short date, underlined.

I do

H	T	O							
			(	+	)				
			(	+	)				
			(	+	)				

Extra You dos!

$$457 + 362$$

$$758 + 161$$

$$166 + 452$$

$$244 + 348$$

Calculation at Chesswood

Addition

6

Expanded Column

Use squared paper to write the numbers in columns.

$$\begin{array}{r} 276 \\ + 147 \\ \hline 13 \quad (6 + 7) \\ 110 \quad (70 + 40) \\ 300 \quad (200 + 100) \\ \hline 423 \end{array}$$

When I understand this I can do it without the brackets.

$$276 + 147 = 423$$

Week 2 Day 1

Remember: Pencil, short date, underlined.

We do

H	T	O							
			(	+	)				
			(		+		)		
			(			+		)	

Extra You dos!

$$457 + 362$$

$$758 + 161$$

$$166 + 452$$

$$244 + 348$$

Calculation at Chesswood

Addition

6

Expanded Column

Use squared paper to write the numbers in columns.

$$\begin{array}{r} 276 \\ + 147 \\ \hline 13 \quad (6 + 7) \\ 110 \quad (70 + 40) \\ 300 \quad (200 + 100) \\ \hline 423 \end{array}$$

When I understand this I can do it without the brackets.

$$276 + 147 = 423$$

Week 2 Day 1

Remember: Pencil, short date, underlined.

You do

H	T	O							
			(	+	)				
			(	+	)				
			(	+	)				

Extra You dos!

$$457 + 362$$

$$758 + 161$$

$$166 + 452$$

$$244 + 348$$

Addition

6

Expanded Column

Use squared paper to write the numbers in columns.

$$\begin{array}{r} 276 \\ + 147 \\ \hline 13 \quad (6 + 7) \\ 110 \quad (70 + 40) \\ 300 \quad (200 + 100) \\ \hline 423 \end{array}$$

$$276 + 147 = 423$$

When I understand this I can do it without the brackets.

Week 2 Day 2

Remember: Pencil, short date, underlined.

I do

H	T	O							
			(	+	)				
			(	+	)				
			(	+	)				

Extra You dos!

$$457 + 362$$

$$758 + 161$$

$$166 + 452$$

$$244 + 348$$

Calculation at Chesswood

Addition

6

Expanded Column

Use squared paper to write the numbers in columns.

$$\begin{array}{r} 276 \\ + 147 \\ \hline 13 \quad (6 + 7) \\ 110 \quad (70 + 40) \\ 300 \quad (200 + 100) \\ \hline 423 \end{array}$$

$$276 + 147 = 423$$

When I understand this I can do it without the brackets.

Week 2 Day 2

Remember: Pencil, short date, underlined.

We do

H	T	O							
			(	+	)				
			(	+	)				
			(	+	)				

Extra You dos!

$$457 + 362$$

$$758 + 161$$

$$166 + 452$$

$$244 + 348$$

Calculation at Chesswood

Addition

6

Expanded Column

Use squared paper to write the numbers in columns.

$$\begin{array}{r} 276 \\ + 147 \\ \hline 13 \quad (6 + 7) \\ 110 \quad (70 + 40) \\ 300 \quad (200 + 100) \\ \hline 423 \end{array}$$

$$276 + 147 = 423$$

When I understand this I can do it without the brackets.

Week 2 Day 2

Remember: Pencil, short date, underlined.

You do

H	T	O							
			(	+	)				
			(	+	)				
			(	+	)				

Extra You dos!

$$457 + 362$$

$$758 + 161$$

$$166 + 452$$

$$244 + 348$$

Calculation at Chesswood

Addition

6

Expanded Column

Use squared paper to write the numbers in columns.

$$\begin{array}{r} 276 \\ + 147 \\ \hline 13 \quad (6 + 7) \\ 110 \quad (70 + 40) \\ 300 \quad (200 + 100) \\ \hline 423 \end{array}$$

$$276 + 147 = 423$$

When I understand this I can do it without the brackets.

$$663 + 238$$

Week 2 Day 3

Remember: Pencil, short date, underlined.

I do

H	T	O							
			(	+	)				
			(	+	)				
			(	+	)				

Extra You dos!

$$457 + 362$$

$$758 + 161$$

$$166 + 452$$

$$244 + 348$$
