

Day 2

# NASTY MATHS!

Challenge WALT round to the nearest 1,000

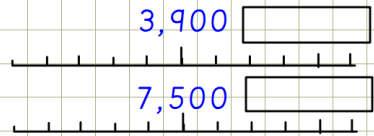

(You should only try this if you really struggle with the Mega Challenge)

Write down the previous and next multiple of 100 for each number:

Previous multiple of 1,000      Next multiple of 1,000

7,495   
 3,991

Round these numbers to the nearest 1,000

Mega Challenge

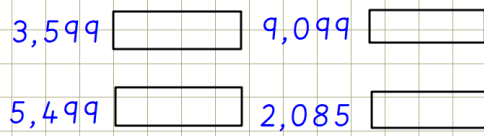

(Most of you should try this)

Write down the previous and next multiple of 100 for each number:

Previous multiple of 1,000      Next multiple of 1,000

9,293   
 1,002

Round these numbers to the nearest 1,000

Day 2

# NASTY MATHS!

Challenge WALT round to the nearest 1,000

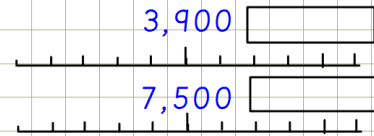

(You should only try this if you really struggle with the Mega Challenge)

Write down the previous and next multiple of 100 for each number:

Previous multiple of 1,000      Next multiple of 1,000

7,495   
 3,991

Round these numbers to the nearest 1,000

Mega Challenge

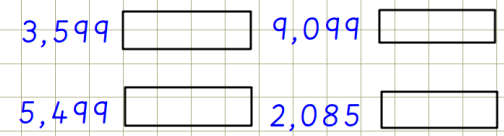

(Most of you should try this)

Write down the previous and next multiple of 100 for each number:

Previous multiple of 1,000      Next multiple of 1,000

9,293   
 1,002

Round these numbers to the nearest 1,000

Day 2

# NASTY MATHS!

Challenge WALT round to the nearest 1,000

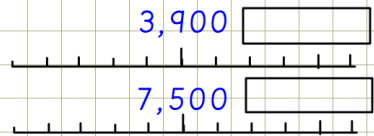

(You should only try this if you really struggle with the Mega Challenge)

Write down the previous and next multiple of 100 for each number:

Previous multiple of 1,000      Next multiple of 1,000

7,495   
 3,991

Round these numbers to the nearest 1,000

Mega Challenge

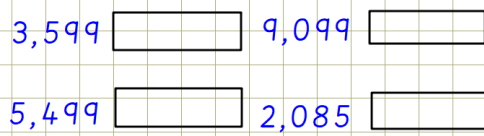

(Most of you should try this)

Write down the previous and next multiple of 100 for each number:

Previous multiple of 1,000      Next multiple of 1,000

9,293   
 1,002

Round these numbers to the nearest 1,000

Day 2

# NASTY MATHS!

Challenge WALT round to the nearest 1,000

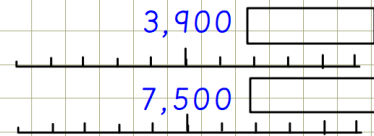

(You should only try this if you really struggle with the Mega Challenge)

Write down the previous and next multiple of 100 for each number:

Previous multiple of 1,000      Next multiple of 1,000

7,495   
 3,991

Round these numbers to the nearest 1,000

Mega Challenge

(Most of you should try this)

Write down the previous and next multiple of 100 for each number:

Previous multiple of 1,000      Next multiple of 1,000

9,293   
 1,002

Round these numbers to the nearest 1,000
