The '[Writing](#)' section of the school's website can give me lots of support.

We would like to encourage all children to write a short playscript between two characters in their book that advances the action or knowledge of the characters. They should try to include all the skills, knowledge and concepts they have been taught in lessons and enjoy writing for pleasure. They may write alone, with a friend or with family members. They should follow the non-negotiable posters at:
