Writing	<p>Hi and we hope all's well, As we did before Lockdown we will be posting new resources weekly for any children isolating at home to work through. If you have any questions about these resources or need some help please email either Mr Hicks or your class teachers and they will get back to you when they can.</p> <p>For the next three weeks, you will be writing a narrative (story) on an adventure in the Amazon rainforest. This is an opportunity to show off all of the knowledge you've gained about it, and for you to wow us with your writing!</p>   <p>This is the second week of our narrative stories and this week we will be: starting by looking at how we can use a range of different grammatical features in our writing; move on to constructing our build-up; next, work on how we can use a range of different sentence types in our writing; before we finish by thinking about how we can think of ways to improve our grammar, vocabulary and punctuation.</p>	<p>Writing – explanations: <a href="https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=15332">https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=15332</a></p> <p>Turbo GPS: <a href="https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=15237&amp;type=pdf">https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=15237&amp;type=pdf</a></p> <p>Resources: <a href="https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=15333">https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=15333</a> <a href="https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=15330">https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=15330</a> <a href="https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=15331">https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=15331</a></p>

We will also be thinking about and talking about what kind of learning behaviours and learning skills we will need to develop to help us to become more independent learners. Please also work through the Turbo GPS and Nasty writing activities that we have also

uploaded and linked.

## Maths

In response to government guidance over how to best cover the Maths curriculum following on from our recent lockdown experiences we are going to be revisiting parts of our Maths curriculum in order to ensure that the core Maths curriculum is fully understood and that as many of our Year 5 children as possible, are ready and fully prepared for Year 6 next year. This will mean some re-capping and will also mean that some children may feel that the work being offered is too easy for them. If this is the case for your child we would ask the following: 1) Please ask them to really think about their reasoning as this is an immensely important skill that they will need to develop further; 2) Use the extension resources uploaded and linked opposite; 3) If this is not enough please contact your class teacher and we will happily provide more work for you.

Please see the resources opposite and please also make sure that you look carefully at our key vocabulary lists as they will really help you and especially with your reasoning. If there are any words on the list that you are unsure about please email your teachers and ask. If you are working from home please work through the flip and resources that we've uploaded and linked. Please also remember to practise your written methods using the questions we've uploaded and linked!

Again, very good luck and remember to contact your class teacher with any questions you might have, to show them some of your excellent work and to let them know how you're getting on!
