<p>Reading</p>	<p>This week we have a guided reading lesson and our reading comprehension is based around the poem, 'The Highwayman', by Alfred Noyes. Please also make sure that you are reading for at least 30 minutes every day! And don't forget that there are loads of Reading videos both from World Book Day and also Miss Usher reading 'The Boy Who sailed the Ocean in an Armchair' on Chesswood Youtube.</p>	<p>Guided reading flip-pages: https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=15550&type=pdf</p> <p>Reading comprehension text and questions: https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=15434&type=pdf https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=15435&type=pdf</p>

<p>Writing</p>	<p>Hi and we hope all's well, As we did before Lockdown we will be posting new resources weekly for any children isolating at home to work through. If you have any questions about these resources or need some help please email either Mr Hicks or your class teachers and they will get back to you when they can.</p> <p>For the next three weeks, you will be writing a pourquoi story otherwise known as a fable or a Just So story. This is an opportunity to show off all of the knowledge you've gained this year and for you to wow us with your writing!</p> <p>This is the first week of our pourquoi story writing. We will start the week by looking at what the key features of a pourquoi story are and how they work and also reminding ourselves how to use commas to add clarity to our writing. We will then look at a range of different pourquoi stories and start developing our ideas for our own. The next lesson is a slow write that will help us to really think about how we can use dialogue in our stories to either move the action on or to tell the reader more about our characters. We will then finish the week by producing a detailed plan for our stories and really thinking about how the story flows and what we can do to make it more cohesive.</p>	<p>Writing – explanations: https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=15551&type=pdf</p> <p>Turbo GPS: https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=15548&type=pdf</p> <p>Resources: https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=15562&type=pdf https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=15564&type=pdf https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=15552&type=pdf https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=15553&type=pdf https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=15554&type=pdf https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=15555&type=pdf</p>

We will also be thinking about and talking about what kind of learning behaviours and learning skills we will need to develop to help us to become more independent learners. Please also work through the Turbo GPS and Nasty writing activities that we have also

uploaded and linked.

Maths

In response to government guidance over how to best cover the Maths curriculum following on from our recent lockdown experiences we are going to be revisiting parts of our Maths curriculum in order to ensure that the core Maths curriculum is fully understood and that as many of our Year 5 children as possible, are ready and fully prepared for Year 6 next year. This will mean some re-capping and will also mean that some children may feel that the work being offered is too easy for them. If this is the case for your child we would ask the following: 1) Please ask them to really think about their reasoning as this is an immensely important skill that they will need to develop further; 2) Use the extension resources uploaded and linked opposite; 3) If this is not enough please contact your class teacher and we will happily provide more work for you.

Please see the resources opposite and please also make sure that you look carefully at our key vocabulary lists as they will really help you and especially with your reasoning. If there are any words on the list that you are unsure about please email your teachers and ask. If you are working from home please work through the flip and resources that we've uploaded and linked. Please also remember to practise your written methods using the questions we've uploaded and linked!
