## Job Profile

**Jonny Stanford**

**Job Title:** Head Chef

**Job Profile:** Jonny works as a Head Chef at Alexander House Hotel in West Sussex. He makes meals for families and friends to enjoy.

**Subjects:**

Design Technology,  
Science, Maths,  
Languages, PSHCE.

## Key Skills

<p><b>A</b>ttitude</p>	<p><b>Determination:</b> You need to be positive, confident, determined, humble and motivated. You have to aspire to achieve something great!</p>
<p><b>C</b>reativity</p>	<p><b>Innovation:</b> Creativity is important because as a chef, you write your own recipes and menus, create new dishes and think of new ideas all the time. You also need to problem solve and ask questions.</p>
<p><b>R</b>elationships</p>	<p><b>Working with Others:</b> To be a chef, you need to be able to team-work, although I am the head chef, I work with a team and we all have to communicate in order to make the kitchen run smoothly. You also build good relationships with your customers and sometimes have to deal with customer complaints!</p>
<p><b>O</b>rganisation</p>	<p><b>Managing Resources:</b> You have to be organised to work as a chef, you need to set up your equipment and restock any ingredients required for the day. You have to constantly keep the kitchen clean. As the head chef, I have the responsibility of organising my team and ensuring everyone knows what their job is.</p>

**What I love about my job:**

**Making people happy and exceeding expectations.**
