

My name's Joe Smith and I'm a 9 year old who goes to Chesswood Junior School. My fave subject is English so you'll find me reading and writing in my free time. I want to be a journalist when I'm older.

---

My name is Joe Smith and I am an especially hard-working nine-year-old pupil who attends Chesswood Junior School. Above all else, my favourite subject is English, so you will often find me reading and writing in my spare time. For this reason, I am passionate about becoming a journalist when I am older.
