

4am - Sunrise

We wake up at sunrise and start packing our things.

As well as all our armour, we'll need to carry:

- spare clothes
- food rations
- a cooking pot
- a short spade
- two wooden stakes to help build a protective fence (palisade).

5am

It is 5am and we are all ready and packed to carry on our journey. We need to get a move on if we are go to reach Richborough by Wednesday.

10am

We'll need to carry on marching all day before we get to rest.

If we move too slowly or complain our Centurion will beat us with a vine stick!

3pm

We've arrived at camp but we can't rest yet!

We need to put up our tent. A pony carried the tent for us. The tent weighs over 40kg and is made from seventy seven large goatskins.

8pm

Tonight we are having a hearty meal before we set off tomorrow. It is a long march down to Kent and we need to make sure we have the energy to walk it. I will also take some figs with me to eat on the way.
