Following the Bright Sparks code makes school a safe and happy place for all of us.

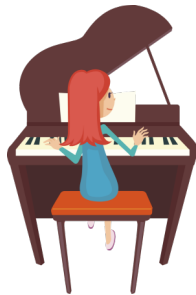

Be the best we can be, at all times.

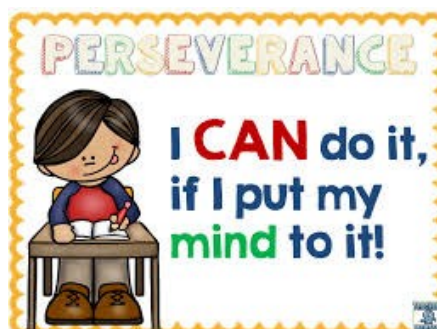

The best me will not be the same as the best someone else.
I am unique. I will not compare myself to others.

I will build on my own strengths by practicing them.

I won't give up when I find things tricky, I will keep trying. I
can always ask for help.

Respect the rights of others and take my responsibilities seriously.

I understand that every child, including me, has the right to be safe, happy and healthy in school.

I will make sure that I behave in a way that helps everyone around me feel safe, happy and healthy. I will be try my best to be polite, kind, honest, take turns and listen to others.

Innovate— we are creative, ask questions, investigate new ideas

I will try new ways of doing things.

I understand that my teachers will welcome my thoughtful questions as they recognise that this helps me learn.

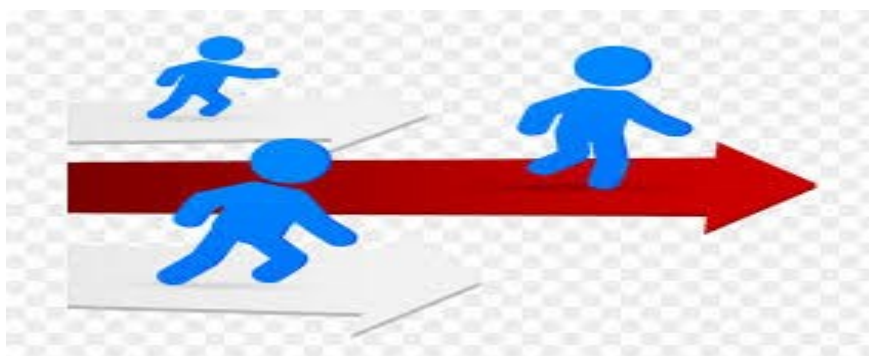

I will explore my interests and ideas.

Go 'the extra mile' in everything we do

I understand that Chesswood will always make a special effort to make sure I do well in all I do.

I also have a responsibility to try to make a special effort to do well in all I do.

Hold high expectations of ourselves and others

It's great if I can believe in myself and I can then know I can achieve great things if I put the effort in.

I can expect those around me to believe in my ability to be successful and help me along the way.

Turn up, turn up on time, turn up ready for action

I will come into school every school day (as long as I am well)

I will make sure I am in my class ready for registration

I will make sure I have everything I need to learn including, writing materials and your full PE kit.

Seize the opportunities we have and make the most of them

I understand that Chesswood will give me many chances to learn and be part of new things.

I will make sure that I take these chances and get fully
Involved in what I am offered.

Persevere when challenged—think positively, find solutions, never give up!

If I find something difficult this means I am learning something new from it.

I will do my best to work through the challenge. I do not need to do this alone, I can ask for help.

I can do this!

Aspire to great things—'Dream, Aspire, Achieve', be extraordinary

Anything is possible if I try my best.

I am unique and I will get where I want to be if I believe that I deserve it and work hard to get there.

Recognise our part in the community— school, local, national and international.

I understand that the way I behave will make people think a certain way about Chesswood.

I will try to get involved in activities that help others and go above and beyond in my efforts.

Know we are part of the Chesswood team— we are willing to help and be helped

I understand that Chesswood value me as an important member of the team

If someone needs help I will gladly offer it.

If I need help, I will not be afraid to ask. Everyone cares about me and wants me to do well.

Show courtesy, care and kindness, all of the time.

I understand that being polite, caring and kind all of the time will make the school a happy place to be and learn in.

Everyone deserves to be treated with courtesy, care and kindness. I deserve to be treated with courtesy care and kindness.
