

Chesswood Junior School – Weekly Learning

Subject	Activity	Resource Links
Reading	<p>This week we have a guided reading lesson and our reading comprehension is an excerpt from, 'Cora and The King'. Please also make sure that you are reading for at least 30 minutes every day! And don't forgot that there are loads of Reading videos both from World Book Day and also Miss Usher reading The Boy Who sailed the Ocean in an Armchair on Chesswood Youtube.</p>	<p>Guided reading flip-pages: https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=15737&type=pdf</p> <p>Reading comprehension text and questions: https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=16039&type=pdf</p>
Spellings	<p>Please practise your weekly spelling words (see your homework sheet) and we've made up two online games to help you with this.</p>	<p>Wordwall Games: https://www.wordwall.net/resource/17845909</p> <p>https://www.wordwall.net/resource/17845835</p>
Writing	<p>Hi and we hope all's well, As we did before Lockdown we will be posting new resources weekly for any children isolating at home to work through. If you have any questions about these resources or need some help please email either Mr Hicks or your class teachers and they will get back to you when they can.</p> <p>This week we've got Sports Day (hopefully!) and Transition Day and are finishing off our tests and so there will be fewer English and Maths lessons for you to do at home. Please work through what there is and then see how many IXL skills you can complete in the time you have left over.</p> <p>For the next two weeks we are going to be working on writing a C.V.. This will be based around your ACRO skills. In Lesson 1 we will look at how we use adverbials to make our writing more cohesive. In Lesson 2 we start off by looking at parenthesis and carrying on with writing our C.V.s and in Lesson 3 we will be publishing our work.</p>	<p>Writing – pourquoi: https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=16040&type=pdf</p> <p>Turbo GPS: https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=16045&type=pdf</p> <p>Resources: https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=16044&type=pdf</p>

We will also be thinking about and talking about what kind of learning behaviours and learning skills we will need to develop to help us to become more independent learners. Please also work through the Turbo GPS and Nasty writing activities that we have also

uploaded and linked.

Maths

In response to government guidance over how to best cover the Maths curriculum following on from our recent lockdown experiences we are going to be revisiting parts of our Maths curriculum in order to ensure that the core Maths curriculum is fully understood and that as many of our Year 5 children as possible, are ready and fully prepared for Year 6 next year. This will mean some re-capping and will also mean that some children may feel that the work being offered is too easy for them. If this is the case for your child we would ask the following: 1) Please ask them to really think about their reasoning as this is an immensely important skill that they will need to develop further; 2) Use the extension resources uploaded and linked opposite; 3) If this is not enough please contact your class teacher and we will happily provide more work for you.

Please see the resources opposite and please also make sure that you look carefully at our key vocabulary lists as they will really help you and especially with your reasoning. If there are any words on the list that you are unsure about please email your teachers and ask. If you are working from home please work through the flip and resources that we've uploaded and linked. Please also remember to practise your written methods using the questions we've uploaded and linked!

Again, very good luck and remember to contact your class teacher with any questions you might have, to show them some of your excellent work and to let them know how you're getting on!
