We are going to be creating a report about what we have done in Year 3 at Chesswood.

Have a discussion with your partner about what you can remember...

Can you think of what we have done in Year 3?

Art and design	DT
English	Geography
History	Computing
Spanish	Maths
Music	PE
PSHCE	RE
Science	Trips/ workshops

## Can you think of what we have done in Year 3?

<b>Art and design</b> Sketching Spheres, Calder Mobiles, Van Gogh, Sketching cubes, River Collage, Sketching Textured Spheres, Clay Tiles	<b>DT</b> Designed and made purses - sewing skills. Soup Making, Pizza Making Designed and built towers made from straws Designed and made catapults

Name	Elsa Cousins		Class	3TH	
My Favourite moments of the year are ...	Making cakes because I enjoy cooking and it makes my happy. I like when we went to Fishbourne because I learnt a lot of facts. I love when we do music because I get to express myself when I do wonderful music. I loved the sleep over because I learnt something really cool I didn't think I would.				
Learning and work I am proud of this year is ...	I am proud of my handwriting because when I started year 3 it wasn't very good but now it is alot better. DT because when we made towers they could be alot better but our catapults are really good. Making because before I knew about the methods I didn't get much contact but now I do.				
The things I want to improve on next year are ...	Presentation because when I lay out my work I regret it and want to change it. Spelling because all of a sudden I haven't been as good as I could be. Reading because I spend too long on a book. I need to do more quizzes for my books. I don't worry about passing quizzes though.				
Relationships & Working with others	I think that I work better in a pair or on my own because it is too crowded and I don't feel like I have much space or control. I get a bit awkward when I work with people I don't know. Anyway I still have lots of friends to work with.

Name	Tilly Huntingford			Class	3JP
My Favourite moments of the year are...	My favourite moments of the year are building the straw towers because we got to work together and we persevered. In the end our tower wasn't the tallest but it was cool and abstract.				
Learning and work I am proud of this year is...	Learning and work I am proud of this year is my English because when I did my stories, letters, diaries I managed to tick most of my checklists off.				
The things I want to improve on next year are...	The things I want to improve on next year is my spelling because I always get a couple of words wrong. I will use a dictionary to help me and then I might reach my target.				
Relationships & Working with others	I loved making new friends in my class and seeing other people like Anna because we could play together and learn new things. Anna taught me some station and skipping games.
