### Summer Achievement Reports

Dear Parent,

There are four reports available to parents at the end of the year:

- Summer Achievement (reading, writing, maths and science) – Quick read (enclosed)
- Summer Achievement (reading, writing, maths and science) – Detailed (online parent portal)
- The Annual Learning and Pastoral Development (online parent portal)
- Child Tapestry of Learning (online parent portal)

#### **Summer achievement – Quick read (enclosed & online parent portal)**

This report is designed to give every parent an overview of their child's current attainment (what they have achieved) and progress (how much they have improved since September) and it should be self-explanatory – please email your child's class teacher in the first instance should you have any questions, queries or concerns about the content. However, before doing so please refer to the more detailed report available within your parental portal. To gain access please visit:

- <https://foldr.chesswood.org.uk/home/files>

Once there, enter the user name and password at the base of the enclosed report.

A parent portal guide may be found at:

- <https://www.chesswood.w-sussex.sch.uk/page/?title=Parent+Portal&pid=1368&action=saved>
- Learning > Assessment > Parent Portal

The detailed report provides significantly more detail but we are aware this can lead to some further questions and queries. To aid parental understanding of the detail we recommend parents read the additional guide on the school website – it is unlikely a full understanding of the detail can be gained without reference to this helpful guidance:

- <https://www.chesswood.w-sussex.sch.uk/page/?title=Summer+Achievement+Report&pid=157>
- Learning > Assessment > Summer Achievement Report (if the link above doesn't work follow this route)

#### **The Annual Learning and Pastoral Development (online parent portal)**

The Annual Learning and Pastoral Development report seeks to provide two important perspectives for parents. Firstly, it provides a personal commentary linked to your child's personal development and aligned to our ACRO program (Attitude, Creativity, Relationships and Organisation). Secondly, it provides an overview of achievement and attitude within the foundation subjects i.e. those not undertaken within the core curriculum – English, maths and science. Further information regarding this report may be found at: Learning > Foundation and personal pupil reports

<https://www.chesswood.w-sussex.sch.uk/page/?title=Foundation+and+Personal+Pupil+Reports&pid=151>

#### **Child Tapestry of Learning (online parent portal)**

At the end of each year children write their own reflective report. Each child has a substantial amount of time to plan, prepare and edit this important report. All children seek to present their best work and an accurate appraisal of their year. The reverse of the report includes their tapestry of memories from the year – enjoy!

Should you have any difficulties accessing the online parent portal please don't hesitate to contact school reception.

Yours sincerely

**DREAM – ASPIRE - ACHIEVE**
