1. COVID-19 Update

We can confirm there have been no positive cases this week. We will be placing the below table in each newsletter to keep you updated on the number of either posi

ve or potential cases. You can be assured that we are tracking everything carefully and responding to risks as they arise, balancing the need to stay open and the need to reduce risk and transmission. If you have any concerns in relation to any of these numbers, please contact office@chesswood.w-sussex.sch.uk. They are not a reason for a child to be absent from school. Should it be necessary for your child to isolate, we will be in contact.

Count of Role	Case Review	
	0-7 days	Grand Total
Potential Case	18	18
Grand Total	18	18

Do NOT attempt to send your child to school for any reason if anyone in your household is displaying any one or combination of symptoms below:

- A new, continuous cough
- High temperature
- Loss, change in normal sense of taste or smell

And, nobody has the time to search for letters they think they might have missed and are experiencing understandable parent anxiety of the consequences of missing important communications. We hope the very clear links and organisation below will ensure you are able to find any school communication quickly and easily.
