**COVID-19 Update**

In line with the current national and local situation regarding cases of COVID-19, we are dealing with more positive cases linked to the school. Wherever there is a direct risk to pupils or staff at school, as a result of an identified positive case, we will communicate this immediately to those affected ensuring they isolate in line with track and trace expectations.

This will occur when an identified positive case has

- had contact with any staff or pupils in the 48 hours prior to the onset of symptoms
- had contact with any staff or pupils in the 48 hours prior to the test (where asymptomatic)

Where a positive case has had contact with a bubble, we will close the bubble for a period of 10 days from the last contact.

Where a positive case has not had contact with any staff or child in school (for example, they were not in school for over 48 hours prior to the onset of symptoms), there will be no further action required by the school.

Case	0-7 days	8-14 days	15-21 days	22+ days	Grand Total
Confirmed Case				14	14
Not a case	13	9	5	297	324
Potential Case	8	1		107	116
<b>Grand Total</b>	<b>21</b>	<b>10</b>	<b>5</b>	<b>418</b>	<b>454</b>

**Do NOT attempt to send your child to school for any reason if anyone in your household is displaying any one or combination of symptoms below:**

- A new, continuous cough
- High temperature
- Loss, change in normal sense of taste or smell

If **anyone** has **any one** or more symptoms of coronavirus they must isolate with their household and seek a test or isolate for 10 days. Other members of the household must isolate for 14 days or until a negative test result has been received. If you are unsure of any of the rules surrounding the Any One Rule, please read the letter online here: <https://www.chesswood.w-sussex.sch.uk/attachments/download.asp?file=7993&type=pdf>

If anyone in your household displays any symptoms, please complete the COVID-19 form on the website <https://www.chesswood.w-sussex.sch.uk/page/?title=COVID+19&pid=330&action=saved>

### 3. COVID Reporting – All – PLEASE READ AND ACTION

If **anyone in your household** has **any one** of the COVID symptoms, you **must** get tested and inform the school via the COVID case reporting form on our school website. This includes weekends and holidays; it is really important for this form to be completed to allow the school to follow the appropriate protocol and take action as soon as possible.

**If any of the following are true:**

- Your child has experienced symptoms
- Your child has tested positive
- **Anyone in your household experiences any one of the three symptoms**
- You are a staff member, external staff (supply teacher, peripatetic music teacher) or volunteer and you or anyone in your household has developed symptoms or tested positive

**You should complete the COVID-19 online form as soon as possible**

All families are asked to complete the online form on our website at HOME > PARENTS > COVID 19

<https://www.chesswood.w-sussex.sch.uk/page/?title=COVIS+19&pid=330&action=saved>

If, for any reason, you are unable to complete the form with essential information please email [covid@chesswood.w-sussex.sch.uk](mailto:covid@chesswood.w-sussex.sch.uk)

**During school holidays and weekends only** – when there is no other alternative, if it is not possible to complete the form or email and you have no other alternative, please text 07837971769

**Text only, please do not call or use this phone number for any other reason, other than COVID reporting.**

**Please only use this number to report a confirmed positive case.**

Text: Positive COVID Case (if you have a positive test result). A member of our team will contact you to get the information verbally, **please only use this as an absolute last resort.**

As indicated, it is our sincere hope that none of the above need to be used by any family or staff member. However, if it does, we expect that all members of our school community being aware of and using this online reporting system will allow a quick response in the interests of all members of our community, particularly those who are vulnerable and those with vulnerable family members.

We have the 3 top prizes, iPad, hamper and £50 cash and would like to ask any parents or carers who work for or run their own business if you are able to donate a prize to our Raffle which will raise funds to complete our pond and wildlife area.

We would like to thank you all for your continued support and should you need to make contact please email [trainford@chesswood.w-sussex.sch.uk](mailto:trainford@chesswood.w-sussex.sch.uk)

## 10. Year 6 Beach Trip – Year 6 Parents – Information

As an exciting end to term and as part of a celebration of their time here at Chesswood, we would like to take the Year 6 children to the beach in Worthing during the last week of term.

Please click [here](#) for more information.

## 11. This Week At Chesswood...

There has been so much going on this week! Year 6 held their Enterprise Day on Friday 2<sup>nd</sup> July, which was a huge success – everyone had the chance to buy something from the range of stalls on offer, including ice cream, sweets, lucky dips, gemstones, tattoos, bookmarks, Euro 2021 flags and pencil cases!

We also enjoyed the Euro Mufti Day on Thursday 1<sup>st</sup> July, which raised in excess of £330! This money will be going towards completing the pond & wildlife area. Unfortunately, the completion of the pond area has been delayed due to a shortage of wood needed to construct the bird hide and outdoor classroom. However, the pond is already being used and has frogs, newts and other wildlife living in it.

Our Year 6's have also been cooking this week – spinach and chickpea curry! They had excellent fun learning how to create this dish.
