

# Parent and visitor behaviour expectations

Parents and visitors will be warmly welcomed to the school premises, as long as, the following rules are followed:

- Act with **courtesy, care and kindness** to all other site users at all times
- Ensure **behaviour or communication is not** reasonably perceived to be **discriminatory, abusive, threatening or violent** by any other site user, at any time.
  - Including **any and all forms of communication** direct or indirect e.g. in person; online (including any form of social media), telephone; in writing including email (including defamatory comments that may or may not have a specific named individual noted),

Whilst on the school site or near the school entrance areas, visitors must not:

- swear or use offensive language
- smoke, including vaping
- bring or leave dogs unless they are specifically required for a disability
- park or stop in a dangerous (zig zag) or anti-social (blocking driveways) manner
- use (they may be walked and stored in allocated places) any bicycle, scooter or other wheeled transport, including motorised

Anyone not following the above rules will be considered to be trespassing. Schools can bar someone from the premises if they feel that their aggressive, abusive or insulting behaviour or language is a risk to staff or pupils. It's enough for a member of staff or a pupil to feel threatened to undertake a ban.

We have a **zero-tolerance approach** to any discriminatory, abusive, threatening or violent behaviour towards any member of staff, governor or volunteer, at any time either whilst on site, off site or on-line. We will always take the strongest possible action in response to such behaviour.
