

<b>Subject</b>	Physical Education	<b>Date</b>	March 2022
----------------	--------------------	-------------	------------

### What is going well?

- High levels of engagement throughout the school with the units of work taught since September.
- Change to Gymnastics lesson structure – increased development of key skills.
- Change in the way new sports are introduced (mainly Y5&6) with knowledge / theory-based sections before practical elements of the session – What is... videos and questioning.
- Recalling key vocabulary and knowledge during lessons and making links across different areas of the PE curriculum.
- End of term knowledge assessments to sit alongside teacher observations to aid assessment.
- KO sent home in each Year Group as part of ongoing homework.
- Children wearing PE kit into school on PE days – no changing time has led to increased PE time.
- Multiple extra-curricular active clubs running weekly by PE team and external providers
- Inter-School competitions being reintroduced following COVID rules relaxing school successes in football, basketball (both county champions), Netball and Gym (Locality Champions).
- Approximately 1/3 of the pupils have represented the school in competitions and festivals.
- Entry to Inclusion events

### Next Steps

- Assessment videos of Met and Greater Depth child
- ACRO in Action Profiles

### Current Success – In line with expectations +

### Evidence

Locality/Area/County Football Champions

Locality/Area/County Basketball Champions

Active Clubs in action – Table tennis new in 2022

Celebrating school representation

### WALT

- Discover the game of basketball
- Understand and demonstrate how to move with the ball
- Demonstrate how to send and receive the ball

**Good**

Have an idea of the game of basketball. Understand how you can move with the ball.

**Great**

Demonstrate moving with the ball correctly and showing different types of pass.

**Super**

Be able to move efficiently with the ball, changing direction and speed with ease. Select the correct pass whilst on the move.

### What is Basketball

www.ninh.co.uk

### What did you notice?

- How many players in a team?
- How many players on the court?
- What positions do players have?
- Where are players allowed to shoot from?
- Is each shot worth the same amount of points?
- How is the ball moved in basketball?
- Blocking, stealing or ?????? Are ways of winning the ball back
- Can there be a draw in basketball?

## Y3 PE Knowledge Check

Invasion

- How many hands do you use to dribble the ball in basketball?
- Which pass only uses one hand to send the ball?
  - Chest pass
  - Bounce pass
  - Shoulder pass
- Which sport must you only pass sideways or backwards?
- What letter shape should you make to receive a large ball?
- What sport would you play with this piece of equipment?

Knowledge rich curriculum and end of term Knowledge Checks
