

Young Carers

Does your child or a child you know help to look after a relative with a disability, special needs, illness, mental health condition, or drug or alcohol problem?

Young carers may undertake all sorts of help, support and care activities beyond normal expectations of a child in the same age group i.e. beyond keeping the bed room tidy and helping with some household chores.

Examples of help, support and care activities

- Practical tasks, like cooking, housework and shopping.
- Physical care, such as helping someone out of bed.
- Emotional support, including talking to someone who is distressed.
- Personal care, such as helping someone dress.
- Managing the family budget and collecting prescriptions.
- Helping to give medicine.
- Helping someone communicate.
- Looking after brothers and sisters.

If you think your child could reasonably be considered a young carer please contact us by email

pastoral@chesswood.w-sussex.sch.uk

No access to email? Please call 01903 204141 and ask for a member of the pastoral team

Our pastoral team will be able to help secure access support for Young Carers

Do you have a concern?

We hope you and your child have a great school experience. However, if you hold a concern about an experience at Chesswood Junior School, please share it with us. We always try to provide the best school experience we can for all members of the school community and we are interested to know where we can make improvements, small or large. Please use this email to share a concern: concern@chesswood.w-sussex.sch.uk We will always respond within 5 working days and often much quicker than that. You may also tag specific individual professionals but we would ask that the concern@ email address is always used to ensure senior leaders are kept well informed of experiences for children and families.

Keeping up to speed

We are very aware both professionally and personally how hard it is to keep up with communications from school and from everywhere else for that matter. And, nobody has the time to search for letters they think they might have missed and are experiencing understandable parent anxiety of the consequences of missing important communications.

We hope the very clear links and organisation below will ensure you are able to find any school communication quickly and easily.

12th July 2022

Dear Parents/Carers,

The Department for Education has recently changed who is eligible for Free School Meals to include children from households with No Recourse to Public Funds (subject to income thresholds). Even if your child was not previously eligible, you may now be entitled to support so please read below.

Are you eligible for Free School Meals?

The following children are now eligible for support:

- Children from families with No Recourse to Public Funds with a right to remain in the UK on the grounds of private and family life under Article 8 of the European Convention on Human Rights
- Children from families receiving support under Section 17 of the Children's Act 1989 who are also subject to a no recourse to public funds restriction
- Children of a subset of failed asylum seekers supported under Section 4 of the Immigration and Asylum Act 1999
- Families holding a BN(O) passport
- Spousal visa holders, work visa holders, student visa holders
- Children of Zambrano and Chen carers
- Those with no immigration status / those who are undocumented

This is not a full list of children who may be eligible, so if you have No Recourse to Public Funds but the above does not apply to you please fill in the application form and contact Reception to discuss further.

If you are legally able to work, your maximum annual household income to qualify should be:

- £22,700 for families outside of London with 1 child
- £26,300 for families outside of London with 2 or more children
- £31,200 for families within London with 1 child
- £34,800 for families within London with 2 or more children

How to claim?

To start claiming Free School Meals for your child/children, please fill in the attached form and return it to the school office. If you are unable to fill it in, the school should be able to assist you.

If possible, please give proof of your immigration status and income. If you do not have proof of immigration status you can still access Free School Meals for your child through self-declaration to the school. Self-declaration could simply include written confirmation from you of your immigration status. An example of this is 'I (name), confirm that I have the following immigration status: (immigration status, e.g. undocumented or spousal visa)'.

Families who do not have the legal right to work in the UK are not required to provide evidence of income.

How will your information be used?

It is not in the Department for Education's process to share information with the Home Office.

As set out in the [sample application form](#) provided by the Department for Education, applicants agree to provide information for the purpose of it being shared with the Department for Education to assess eligibility for free school meals.

Your school's census returns to the Department for Education will include overall numbers of pupils eligible for Free School Meals so the school can receive the right funding, e.g. Pupil Premium, but will have no indication of pupils' immigration status.

Should you require any further help please contact the school office for further information.

Thank you

Jumanji Performance

The Jumanji production was a huge success and there have been such wonderful things said. The kids were utterly superb. Their dedication to rehearsal, their commitment to the show, the sheer energy they brought to the stage, the support they showed each other, their confidence - blew me away! I'm so proud of each and every one of them. I know that Mr Miller will be putting a recording of the production together and he will let you know how to view this in due course. Thank you for the support you have shown. Well done all!

Sport Events

St Andrews Sports Festival

Over 20 Y5 pupils went to St Andrews to try out some different sports.

William, Idahlia and Erin took part in a badminton event and played extremely well.

The boys from 5CL played a bit of cricket with massive enthusiasm and so pleased to win a game.

Others took part in various table tennis, tennis and climbing activities on the St Andrews wall. Lots of giving things a go and overcoming some fears as well as discovering some hidden talents.

Fun was had by all!

Year 3 Sports Day

The first Chesswood Sports Day for the children and they certainly didn't disappoint

We followed the multi-skills with all the sprints and as the relay finished the results we as follows:

1st – Ashdown

2nd – Epping

3rd – Kielder

4th – Sherwood

Dancemania XIII

For some it was their first performance for others their last on the Dancemania stage. 10 magnificent acts wowed the audience with their dance creations. Great to see more boys taking part too.

Significant Safeguarding Risk

On a number of occasions in school we have dealt with issues arising from 'WhatsApp Groups', usually around unkind and inappropriate comments and language. These are dealt with in line with our behaviour policy and children are reminded regularly about both the consequences of online behaviour and how to keep safe online.

Dealing with online behaviour is one level of concern. However, through recently investigating a 'WhatsApp Group' including a large number of Chesswood pupils, very significant safeguarding concerns for ALL CHILDREN USING WHATSAPP have arisen. All adults must be aware of the following concerns:-

Any child with the WhatsApp App can be added to ANY group without their consent given

This happens when any member of a group has their number and invites them to join. They are instantly added to the group without consent. We have spoken to children who have been added to completely random groups.

The group may contain children at Chesswood, other schools or any other unknown contacts including adults

The group identified today contained approximately 20 Chesswood pupils (all who had been added) alongside approximately 40 other unknown contacts, some of whom we know have accessed communication with children through other online means.

Once added, the child's number is displayed in the group and is accessible to anyone in that group

We have had it confirmed that this is a method used by adults grooming - collecting numbers, especially of those they see are open to talking to strangers.

WHAT CAN PARENTS DO?

- Recognise that any child on WhatsApp (regardless of their level of understanding of internet safety) are at risk of being added to groups including people that they don't know - thus exposing their personal details (number, name, photo) to strangers
- Remove the WhatsApp App - there are clear reasons it is for 16+
- Check child's phone and online activity at regular intervals

Support over the summer

The end of school term, the summer holidays and exam results days are approaching. Now is a good time to talk about our children's wellbeing and mental health.

Here's an [information sheet](#), to [download](#) and [share with families](#) to ensure they know where to find advice and support, including careers advice for those leaving education.

It highlights that whilst we hope the summer holidays will be a time to relax. Some young people may find the holidays more difficult. If anyone needs extra help, support is available and there are people you can talk with.

We've provided the download in a word document as a suggestion allowing you to pair it with any other local supporting information.

Hi

This is a hello from Anna, your local Worthing Museum Education Officer, to update you on our Schools offer for museum visits this Autumn 2022. I would also like to take the opportunity to let you know what is on in the Galleries and of course the fun creative workshops we deliver during the school holidays.

Museum workshops for Schools

At the Museum from September we are offering a selection of workshops and guided walks for both KS1 and KS2 which will remain at 2021/22 prices.

Museum learning is a fun way to engage pupils and offers a different learning environment that will enhance the school's teaching and animate your subject with an experience for students to remember.

The Museum has an incredible store of resources and stories to share. Workshops at the Museum offer the opportunity for children to handle real artefacts from our collection and listen to the stories, explore their topic through role play and a chance to express their individual creativity. Your visit to the museum will offer the opportunity to explore and expand your curiosity through the wider range of artefacts on display in the galleries.

All workshops can be tailor made to fit your topic. If there is a particular area you wish to focus on or a significant person in Worthing's history or an artefact to see please do ask. We are now taking bookings for Autumn Term 2022. anna.twynam-cauchi@wtm.uk
For more information check out our website: wtm.uk/learning/

SKIP THE QUEUE

WHY NOT BOOK A SLOT TO TAKE ADVANTAGE OF OUR EXPERT FITTING ADVICE?

From their very first clothing stores to retail and digital school stores or shops for those big weekend adventures, our kids in-store fitting experts will help you find the perfect fit for your growing teen. Plus, we have a personal shopping and fitting service for adults too.

With hundreds of Clarks stores to choose from, skip the queues and book a 15 minute measure and fit appointment at a time that suits you.

Clarks combine almost 200 years of expert shoemaking with everything they know about caring for growing feet to provide unbeatable all-day comfort. Their shoes even go up to 40 tough tests, from flexing leather 500,000 times to pulling tests to destruction. The results? The best shoes ever, keeping little feet happy all day long.

To book your in-store fitting appointment visit www.clarks.co.uk or contact your local store
