

Young Carers

Does your child or a child you know help to look after a relative with a disability, special needs, illness, mental health condition, or drug or alcohol problem?

Young carers may undertake all sorts of help, support and care activities beyond normal expectations of a child in the same age group i.e. beyond keeping the bed room tidy and helping with some household chores.

Examples of help, support and care activities

- Practical tasks, like cooking, housework and shopping.
- Physical care, such as helping someone out of bed.
- Emotional support, including talking to someone who is distressed.
- Personal care, such as helping someone dress.
- Managing the family budget and collecting prescriptions.
- Helping to give medicine.
- Helping someone communicate.
- Looking after brothers and sisters.

If you think your child could reasonably be considered a young carer please contact us by email

pastoral@chesswood.w-sussex.sch.uk

No access to email? Please call 01903 204141 and ask for a member of the pastoral team

Our pastoral team will be able to help secure access support for Young Carers

Children's Fiction Book Donations

Do you have children's fiction
books at home that:

- are suitable for 5-11 year olds
- are unlikely to be read again,
by your child
- need a great new home
- are in good+ condition

If so, please send them into
school.

We are happy to accept one, a few
or lots of fiction books 😊

All good quality books will be put
to good use in the school library

Significant Safeguarding Risk

On a number of occasions in school we have dealt with issues arising from 'WhatsApp Groups', usually around unkind and inappropriate comments and language. These are dealt with in line with our behaviour policy and children are reminded regularly about both the consequences of online behaviour and how to keep safe online.

Dealing with online behaviour is one level of concern. However, through recently investigating a 'WhatsApp Group' including a large number of Chesswood pupils, very significant safeguarding concerns for ALL CHILDREN USING WHATSAPP have arisen. All adults must be aware of the following concerns:-

Any child with the WhatsApp App can be added to ANY group without their consent given

This happens when any member of a group has their number and invites them to join. They are instantly added to the group without consent. We have spoken to children who have been added to completely random groups.

The group may contain children at Chesswood, other schools or any other unknown contacts including adults

The group identified today contained approximately 20 Chesswood pupils (all who had been added) alongside approximately 40 other unknown contacts, some of whom we know have accessed communication with children through other online means.

Once added, the child's number is displayed in the group and is accessible to anyone in that group

We have had it confirmed that this is a method used by adults grooming - collecting numbers, especially of those they see are open to talking to strangers.

WHAT CAN PARENTS DO?

- Recognise that any child on WhatsApp (regardless of their level of understanding of internet safety) are at risk of being added to groups including people that they don't know - thus exposing their personal details (number, name, photo) to strangers
- Remove the WhatsApp App - there are clear reasons it is for 16+
- Check child's phone and online activity at regular intervals

Weekly Communication Roundup

We wish you all a lovely summer holiday and look forward to seeing you in September.

[School Calendar here](#) – Don't miss out!

Inset Days – Thursday 1st & Friday 2nd September

Back to School – Monday 5th September

Do you have a concern?

We hope you and your child have a great school experience. However, if you hold a concern about an experience at Chesswood Junior School, please share it with us. We always try to provide the best school experience we can for all members of the school community and we are interested to know where we can make improvements, small or large. Please use this email to share a concern: concern@chesswood.w-sussex.sch.uk We will always respond within 5 working days and often much quicker than that. You may also tag specific individual professionals but we would ask that the concern@ email address is always used to ensure senior leaders are kept well informed of experiences for children and families.

Keeping up to speed

We are very aware both professionally and personally how hard it is to keep up with communications from school and from everywhere else for that matter. And, nobody has the time to search for letters they think they might have missed and are experiencing understandable parent anxiety of the consequences of missing important communications.

We hope the very clear links and organisation below will ensure you are able to find any school communication quickly and easily.

12th July 2022

Dear Parents/Carers,

The Department for Education has recently changed who is eligible for Free School Meals to include children from households with No Recourse to Public Funds (subject to income thresholds). Even if your child was not previously eligible, you may now be entitled to support so please read below.

Are you eligible for Free School Meals?

The following children are now eligible for support:

- Children from families with No Recourse to Public Funds with a right to remain in the UK on the grounds of private and family life under Article 8 of the European Convention on Human Rights
- Children from families receiving support under Section 17 of the Children's Act 1989 who are also subject to a no recourse to public funds restriction
- Children of a subset of failed asylum seekers supported under Section 4 of the Immigration and Asylum Act 1999
- Families holding a BN(O) passport
- Spousal visa holders, work visa holders, student visa holders
- Children of Zambrano and Chen carers
- Those with no immigration status / those who are undocumented

This is not a full list of children who may be eligible, so if you have No Recourse to Public Funds but the above does not apply to you please fill in the application form and contact Reception to discuss further.

If you are legally able to work, your maximum annual household income to qualify should be:

- £22,700 for families outside of London with 1 child
- £26,300 for families outside of London with 2 or more children
- £31,200 for families within London with 1 child
- £34,800 for families within London with 2 or more children

How to claim?

To start claiming Free School Meals for your child/children, please fill in the attached form and return it to the school office. If you are unable to fill it in, the school should be able to assist you.

If possible, please give proof of your immigration status and income. If you do not have proof of immigration status you can still access Free School Meals for your child through self-declaration to the school. Self-declaration could simply include written confirmation from you of your immigration status. An example of this is 'I (name), confirm that I have the following immigration status: (immigration status, e.g. undocumented or spousal visa)'.

Families who do not have the legal right to work in the UK are not required to provide evidence of income.

How will your information be used?

It is not in the Department for Education's process to share information with the Home Office.

As set out in the [sample application form](#) provided by the Department for Education, applicants agree to provide information for the purpose of it being shared with the Department for Education to assess eligibility for free school meals.

Your school's census returns to the Department for Education will include overall numbers of pupils eligible for Free School Meals so the school can receive the right funding, e.g. Pupil Premium, but will have no indication of pupils' immigration status.

Should you require any further help please contact the school office for further information.

Thank you

School Library books

During the summer holidays, please can you check to see if you have any school library books and return these to the school in September.

Thank you

Staff leaving at the end of the academic year

We are taking this opportunity to inform you of people who will sadly be leaving us at the end of the academic year. Although there are a notable number of staff leaving us, the number of pupils in school is falling by up to 100 children over two years, this is helping to managing staff reduction.

We wish all the staff leaving us every happiness and success in future and thank them for their commitment to our children, families and the community during their time with us.

Paul Kingsley-Holmes

It is with huge sadness that Paul Kingsley Holmes, whose children attended Chesswood and has worked as part of our site management team since 2014, is unable to return to his work. Paul is currently

very unwell and, on behalf of the whole Chesswood community, I would like to thank him for his service and send him every best

wish in his continuing, exceptionally brave battle, with illness.

Louise Clay

After working at Chesswood since 2015 in a wide range of roles, we are sorry to see Ms Clay's regular presence at Chesswood changing. Her support for our most vulnerable children has been

hugely appreciated and she has been much loved by many. However, we are delighted that she is going to keep her connection with Chesswood, and we will be seeing her from time to time working with children across the school.

Michelle Hills

Miss Hills has been teaching at Chesswood for six and a half years, gaining experience in years 3, 4 and 6; she has decided to broaden her teaching (and life) experience by accepting a new challenge in China. Chesswood has

been a major part of her life since her final university placement, which demonstrated her immense skills as a teacher and led to her employment with us. Miss Hills has told us how much she will miss us, but this cannot be as much as we will miss her; ex-students often request work experience with her, which tells us everything you need to know. The nurturing atmosphere she has created in her classrooms has been a model for others to follow and she has been an integral member of the team developing Design and Technology teaching throughout the school. She has also supported so many other aspects of school life that they cannot all be listed. She has been a wonderful teacher, colleague and friend to so many people, she will be hard to replace.

Danni Barnard-Grove

Miss Barnard-Grove has been a valued member of the Chesswood team since September 2016. In this time, she's worked with a range of children as a one-to-one, as class TA and as HLTA. Now Danni is a mum, she wants to

spend precious time with her baby and is venturing into a new career away from schools. We will miss her cheerful and fun nature and we know how much the children will miss her as she has been well liked by so many. She has made such a difference to the education of a wide range of children including many with significant additional needs. Thank you Danni!

Kayleigh Maskell

Miss Maskell has taught at Chesswood since September 2019, having been a student teacher the previous year – her willingness to help the year team and commitment to

learn shone through. Teaching through COVID-19 was not an easy start to anyone's career, but she provided great support to the children learning with her as well as supporting the science team. She has formed some amazing bonds with children she has taught over the years; Miss Maskell will be sorely missed.

Danni Gilmour

Miss Gilmour has been with us for two years in year 4; she is moving to another school in Sussex to become their English lead teacher. Miss Gilmour was also employed following her final university

placement at Chesswood, where her enthusiasm and zest for life was clear to all who worked with her. She has supported art development throughout the school, including running after school clubs, and made some lasting connections with her pupils and colleagues. We will miss her terribly.

Ellis McConnell

Miss McConnell has also been with us for two years in year 5; she is moving abroad to broaden her experience in Romania. She was another teacher employed following her final university placement

at Chesswood - can you spot a theme here? Miss McConnell has built fantastic relationships with the children in her class and the colleagues she has worked with. Parents have provided amazing feedback about her support of children with additional learning needs, she really has made a difference to their lives. Miss McConnell has also helped develop geography across the school. She will be sorely missed.

Emily Wadge

Miss Wadge has also been with us for two years in year 6; she is moving to teach at another school in Sussex. Miss Wadge was not employed having worked for us as a student; she gave one

of the best interviews we have ever had, despite having to do this on-line due to COVID-19 restrictions. The relationships she has built with her pupils will be remembered forever and she could well be one of their favourite all-time teachers. She has helped develop modern foreign languages (French) across the school and has boundless enthusiasm that will be hard to find again.

Jorge Latter

Mr Latter's exuberant nature has brought great positive energy to the Chesswood Team. We're excited for him as he's going to take time to travel and have adventures abroad. Jorge has shown great dedication and commitment to working with so

many of the children at Chesswood - as a one-to-one, intervention TA After School Club support and HLTA. He has always been willing to step in to support whenever and wherever we've needed him. This willing flexibility has been invaluable over the last few years. He

has been so impressive in his passion for enhancing children's inclusive learning experiences. We will miss you Jorge- happy travels and thank you!

Amy Sarafis

Mrs Sarafis's gentle approach will be much missed by the children she has worked with since she joined us. Amy has been a valued member of the Chesswood community as both TA and parent. We will all miss Amy and thank her for the time she has spent working with the children of Chesswood.

Tia Ham

Miss Ham joined the school in September and has been a valuable member of the year 3 team. During this time, she has impressed everyone with her enthusiasm and the relationships she has formed with the children in her class. She has also contributed well to the PSHE team and has been a great support to Mr Quick in PE, helping with netball clubs after school. She leaves us to join another Sussex school and we wish her well for her continued teaching journey.

Teacher change of role at the end of the academic year

Zoe Monger

Miss Monger is thankfully staying with us for September to continue her 21-year association with the school. She has decided to step down from her year leader role to focus on class teaching in a part time role for three days a week. We are delighted that we will be able to continue to benefit from her expertise in future years and are safe in the knowledge that the children she will teach are the real winners in this situation.

Family Information and Community Support

Free summer holiday clubs and food

Eligible families can sign up for free summer holiday clubs near them to help keep children entertained over the school break. Families can now search and book places near them on our [Family Information Service webpages](#).

West Sussex County Council has again teamed up with over 40 clubs across the county to offer an exciting range of sports, kids camps, swimming, crafts and more – all with a nutritious hot meal provided.

Places are free-of-charge for West Sussex children aged 4 to 16 who receive benefits-related free school meals, subject to availability.

Community Hub support

The [West Sussex Community Hub](#) continues to operate seven days a week, providing food and essentials to people who need support, including those not eligible for free school meals.

The Community Hub can be contacted on 0330 222 7980 and is open 9am to 5pm, seven days a week.

Support over the summer

The end of school term, the summer holidays and exam results days are approaching. Now is a good time to talk about our children's wellbeing and mental health.

Here's an [information sheet](#), to [download](#) and [share with families](#) to ensure they know where to find advice and support, including careers advice for those leaving education.

It highlights that whilst we hope the summer holidays will be a time to relax. Some young people may find the holidays more difficult. If anyone needs extra help, support is available and there are people you can talk with.

We've provided the download in a word document as a suggestion allowing you to pair it with any other local supporting information.

Chelsea FC Foundation are holding Summer Trials for the 2022-23 Foundation Advanced Centre squads. Our Advanced squads train on a weekly basis from September through to July, playing in 10-15 fixtures across the season. We have a syllabus and philosophy we follow which is supported by our Academy. We have a successful player pathway from our Advanced Centre's into our Integration Recruitment Programme which is run by the Academy, which identifies players with potential to trial with our Academy. If not for us, we also have great links with other Academies which often sign players from our programme.

We have two centre's one north of Sussex which is run out of K2 leisure centre in Crawley throughout the season on Friday evenings, and another centre run out of Sir Robert Woodard School in Lancing on Wednesday evenings. Please see below trial dates for both centres, with North being on 1st August and South Trials on 2nd August.

Hi

This is a hello from Anna, your local Worthing Museum Education Officer, to update you on our Schools offer for museum visits this Autumn 2022. I would also like to take the opportunity to let you know what is on in the Galleries and of course the fun creative workshops we deliver during the school holidays.

Museum workshops for Schools

At the Museum from September we are offering a selection of workshops and guided walks for both KS1 and KS2 which will remain at 2021/22 prices.

Museum learning is a fun way to engage pupils and offers a different learning environment that will enhance the school's teaching and animate your subject with an experience for students to remember.

The Museum has an incredible store of resources and stories to share. Workshops at the Museum offer the opportunity for children to handle real artefacts from our collection and listen to the stories, explore their topic through role play and a chance to express their individual creativity. Your visit to the museum will offer the opportunity to explore and expand your curiosity through the wider range of artefacts on display in the galleries.

All workshops can be tailor made to fit your topic. If there is a particular area you wish to focus on or a significant person in Worthing's history or an artefact to see please do ask. We are now taking bookings for Autumn Term 2022. anna.twinam-cauchi@wtm.uk

SKIP THE QUEUE

WHY NOT BOOK A SLOT TO TAKE ADVANTAGE OF OUR EXPERT FITTING ADVICE?

From their very first clothing stores to retail and digital school stores or stores for those big weekend adventures, our kids in-store fitting experts will help you find the perfect fit for your growing teen. Plus, we have a personal shopping and fitting service for adults too.

With hundreds of Clarks stores to choose from, skip the queues and book a 15 minute measure and fit appointment at a time that suits you.

Clarks combine almost 200 years of expert shoemaking with everything they know about caring for growing feet to provide unbeatable all-day comfort. Their shoes even go up to 40 tough tests, from flexing leather 500,000 times to pulling tests to destruction. The results? The best shoes ever, keeping little feet happy all day long.

To book your in-store fitting appointment visit www.clarks.co.uk or contact your local store

IN-STORE FITTING

Avoid the queues and book your in-store measure and fit appointment online now at www.clarks.co.uk

Select Clarks Worthing and a time slot that suits you

Plus, take along your child's most recent pair of Clarks shoes, and they'll check if they're still a good fit.

QUIET IN STORE FITTING?

Shoe shopping can be a challenge for some children. If you think a shopping experience without crowds, noise and bright lights would be better, then book a Quiet Time appointment.

To do this, contact Clarks Worthing on 01903 235237
