Keeping up to speed

We are very aware both professionally and personally how hard it is to keep up with communications from school and from everywhere else for that matter. And, nobody has the time to search for letters they think they might have missed and are experiencing understandable parent anxiety of the consequences of missing important communications. We hope the very clear links and organisation below will ensure you are able to find any school communication quickly and easily.

Ukraine Appeal

Letter from Amanda Cherry and volunteers,

A massive thank you for all the donations which we received for the Ukrainian appeal. We were completely amazed by the huge response we had and the generosity and kindness of everyone was very clear to see.

We had hoped for about 100 boxes of food, medical and baby products and possibly 1 generator. In the end, we had 224 boxes loaded onto the van and a generator and another one will be bought in Poland with donations that people gave. Amazing!

The van left for Worthing on Saturday 7th May and was expected to arrive in Warsaw the next day and then a gentleman called Bartłomiej Vadas will take the goods into Ukraine. (You can find him on Facebook).

With sincere thanks again for your participation and generous donations, which was so greatly appreciated.
