Do you have a concern?

We hope you and your child have a great school experience. However, if you hold a concern about an experience at Chesswood Junior School, please share it with us. We always try to provide the best school experience we can for all members of the school community and we are interested to know where we can make improvements, small or large. Please use this email to share a concern: concern@chesswood.w-sussex.sch.uk We will always respond within 5 working days and often much quicker than that. You may also tag specific individual professionals but we would ask that the concern@ email address is always used to ensure senior leaders are kept well informed of experiences for children and families.

Keeping up to speed

We are very aware both professionally and personally how hard it is to keep up with communications from school and from everywhere else for that matter. And, nobody has the time to search for letters they think

We hope the very clear links and organisation below will ensure you are able to find any school communication quickly and easily.

October 2022

Dear Parents

Inset Day – Wednesday 16th November 2022

We will be holding an INSET day at Chesswood on Wednesday 16th November 2022 and plan to arrange childcare facilities, at school, for families who need it.

The details are as follows:

- Wednesday 16th November 2022 - 7:30am to 3:30pm to include breakfast.
- A range of activities will be provided throughout the day, such as art and craft, board and card games, sports, nature documentaries and general play.
- Children will need a packed lunch and a fruit snack. Breakfast will be supplied between 7:30am – 8:15am.
- The cost for the day will be £25.00 per child to be paid in full by Monday 7th November 2022.
- Numbers will be limited and based on a first come first served basis, for paid only bookings (non-refundable)

The children will be cared for throughout the day by members of our school support staff, all of whom are suitably qualified, DBS checked and hold first aid qualifications. Should your children have any allergies or medical conditions, please indicate on the form included.

Should you wish your child to attend, please book online via MCAS (in Trips and Events) or on the slip provided. Where two or more siblings are attending, we will offer a 50% reduction in fees for the second child - please contact finance@chesswood.w-sussex.sch.uk to arrange this. All bookings must be made no later than **Monday 7th November 2022**, please.

Yours sincerely

Andrew Jolley

Study Bugs

Over the summer holidays the school migrated away from Schools buddy to a new system called Bromcom My Child At School (MCAS). From September this will now be used for all school communications, club booking, trips, payments and more.

Can we ask all parents to use only My Child At School communication as the Schools buddy is no longer monitored.

The facility used now can be found on the following page on the school website:

<https://www.chesswood.w-sussex.sch.uk/page/?title=Attendance+%26amp%3B+Punctuality&pid=203>

Friends of Chesswood

We will be holding our Friends of Chesswood meeting on 21st October at 9am.

This is open to all so please come along and join us in the Staff Room after dropping the children off.

WhatsApp Groups Reminder

Recently there have been several incidents related to the misuse of WhatsApp groups. WhatsApp is a chat application which can be used on a mobile phone or tablet - it lets you send messages, images and videos to friends. You can have one to one and group conversations. We would like to remind you that the minimum age for using WhatsApp is 16 or over and highly recommend that any child under 16 does not have access to this and any other apps used are age appropriate for your child.

I'm sure you would agree that keeping our children safe online is of upmost importance and parents/carers need to ensure their children are using any online platforms safely and appropriately. Apart from the issues online chat groups can cause for children, there are significant safeguarding concerns around the WhatsApp App – see the attached poster 'WhatsApp Safeguarding Risk'. As a school we strongly advise parents not to allow their children to use WhatsApp.

Significant Safeguarding Risk

On a number of occasions in school we have dealt with issues arising from 'WhatsApp Groups', usually around unkind and inappropriate comments and language. These are dealt with in line with our behaviour policy and children are reminded regularly about both the consequences of online behaviour and how to keep safe online.

Dealing with online behaviour is one level of concern. However, through recently investigating a 'WhatsApp Group' including a large number of Chesswood pupils, very significant safeguarding concerns for ALL CHILDREN USING WHATSAPP have arisen. All adults must be aware of the following concerns:-

Any child with the WhatsApp App can be added to ANY group without their consent given

This happens when any member of a group has their number and invites them to join. They are instantly added to the group without consent. We have spoken to children who have been added to completely random groups.

The group may contain children at Chesswood, other schools or any other unknown contacts including adults

The group identified today contained approximately 20 Chesswood pupils (all who had been added) alongside approximately 40 other unknown contacts, some of whom we know have accessed communication with children through other online means.

Once added, the child's number is displayed in the group and is accessible to anyone in that group

We have had it confirmed that this is a method used by adults grooming - collecting numbers, especially of those they see are open to talking to strangers.

WHAT CAN PARENTS DO?

- **Recognise that any child on WhatsApp (regardless of their level of understanding of internet safety) are at risk of being added to groups including people that they don't know - thus exposing their personal details (number, name, photo) to strangers**
- **Remove the WhatsApp App - there are clear reasons it is for 16+**
 - **Check child's phone and online activity at regular intervals**
- **Read: <https://oursaferschools.co.uk/2021/07/29/whats-up-with-whatsapp/>**

Book Amnesty

For the next three weeks we are going to be having a Book Amnesty. Can you please have a look at home and in your school bag. If you have any books can they please be handed in to the school reception. We are particularly interested in books that are part of sets as we have lost a lot of these recently.

Children's Fiction Book Donations

Do you have children's fiction books at home that:

- are suitable for 5-11 year olds
- are unlikely to be read again, by your child
- need a great new home
- are in good+ condition

If so, please send them into school.

We are happy to accept one, a few or lots of fiction books 😊

All good quality books will be put to good use in the school library

Sports News

Year 5 WSSA Football

Tuesday saw the Y5 football team take part in a competition at St Andrews High School. A new look team were in a tough group (with the eventual winners and runners-up) but played well and tried hard throughout all their games winning 1 out of the 3 group matches.

Into the playoffs they managed a win over Broadwater and in a match they dominated lost 1-0 to an Orchards team finishing in 6th place overall.

Team: Gilbert, Leon, Bertie, Alex, George, Charlie, Harrison, Toby and Lydia.

Y5/6 Southern Area Tag Rugby

Wednesday we entered a festival we haven't competed in for several years but with the introduction of our tag-rugby club (we still have places available if your child is interested – Y5/6 only) we gave it a go.

It was a 10 team round-robin event – so 9 games for the team to play – against teams from the Shoreham area, Steyning area and Littlehampton area. The team started with wins over Georgian Gardens and Upper Beeding before a losses to St Nick's, White Meadows and Summerlea. The team then had victories over Lyminster and another Georgian Gardens with a loss to eventual winners Goring.

This was a fantastic experience for the players – especially as only 1 out of the squad had played any form of competitive rugby before – all played the game in the correct spirit and worked fantastically well as a team.

Team: Zephyr, George, Max, Ryan, Harrison, Samuel, Ben and Levi.

Y5/6 WSSA Basketball

The school has a big reputation around Worthing for it's basketball – we have been local and area champions for the last 3 year and are current Sussex champions – so going into this event expectations were high again.

5 teams stood in the way of the team to retain the Worthing Schools title and the team started well with a close victory of English Martyrs 4-3, next up Downsbrook was an 8-4 win. The team cruised past Whytemead 10-0 which left 2 games against strong looking TAB and Broadwater teams. Our team really upped their game with some sharp shooting and strong defence beating TAB 8-2 and Broadwater 12-2.

A wonderful team performance throughout the whole event with each player contributing to either scoring or defending – Max was awarded the Referee's Player of the Tournament for Chesswood and the team the GOLD medals for winning! They will march on the Southern Area Finals after half term!

Team: Max, Henry, Leon, Baram Alexia and Rachel.

Out of school Achievements:

Congratulations to Lily R from Year 5 on winning a silver medal in the 50m butterfly race at a recent Worthing Swimming Club competition.

Upcoming Events:

- Saturday 15th October – Cross Country – The Gallops (Vale School)
- Tuesday 18th – Y3/4 Netball Skills at Worthing College
- Wednesday 19th – Y6 Netball Matchplay Practice at Davision High

As with all our events we do need specific numbers to take part so if your child has been invited and they are unable to attend please email pe@chesswood.w-sussex.sch.uk to inform Mr Quick so he can invite another pupil.

Black History Month

In October we celebrate Black History Month by having a focus on the amazing stories of black people who have contributed in incredible ways to British history – often in the face of appalling racism and discrimination.

This year, we have looked at the stories of Lilian Bader, Dr Harold Moody and Mary Seacole. Ask your children what they remember of these remarkable people and dip into the resources on our Black History Month page at:

Internet Safety – BE SMART

The Internet and online communication is an ever-changing world. It is impossible to keep up with all the latest trends, apps and sites. However, the principles of online safety at Chesswood are consistent and address the key risks children face when engaging with the online world. We use the SMART resources in assemblies and linked to all e-safety lessons.

We would recommend all parents to speak to their children about the content of SMART, using the poster and video links below.

Packed Lunch

If your child brings a yogurt to school please ensure it is either in a separate container or kept securely in their lunchboxes. We have had incidents where yogurts have exploded and gone over the rest of their lunch making this inedible.

YOUR MIND MATTERS

Working together to support young people's mental health in West Sussex

October 2022

World Mental Health Day 2022 reminder of support available

World Mental Health Day on 10 October is just around the corner. It's a chance to talk about mental health in general, how we need to look after ourselves and each other, and how important it is to talk about things and get help if you are struggling.

This year's theme is **'Make mental health and wellbeing for all a global priority.'**

The day also marks a year since we launched our Your Mind Matters campaign and we'd like to take this opportunity to thank everyone who continues to help us share essential information with young people.

Keep reading for details of the campaign and important reminders of where schools, young people and families can go for support and advice.

Girls Net – Rites for Girls

"For the past 6 weeks it was something I enjoyed doing and felt safe doing it with girls who were all individually unique and kind. When we finished tonight's session, I felt so loved and safe and accepted of who I was and nothing more, I stayed with that feeling for 5 minutes absorbing it and it was a feeling I want to go back to as many times as possible – and that is all thanks to you ...

Single Point of Access

For more details please click the link below:

[West Sussex Single Point of Access \(SPoA\) | Sussex Partnership NHS Foundation Trust](#)

Single Point of Access

The West Sussex Single Point of Access (SPoA) is a dedicated service which provides a simplified single route to access specialist emotional wellbeing and mental health support. The SPoA helps direct you to the right service at the right time, eliminating the need for you to refer to multiple services.

Led by Sussex Partnership NHS Foundation Trust, the service is delivered in partnership with West Sussex County Council's Youth Emotional Wellbeing Service (YES) and YMCA Dialogue.

How does it work?

The SPoA consists of a team of clinical and administrative staff. All referrals received are triaged (processed) by SPoA within 72 hours. Referrals that meet the criteria for SPoA will be directed to the most appropriate service to offer treatment and support. The service may offer advice, intervention work, a patient care plan, or a specialist assessment. In some cases, there may also be input from other services too, such as Healthy Child programme or Winston's Wish.

If your referral does not meet the criteria for SPoA, you will be signposted to other services for support, such as Early Help, Health Visitors and specialist services. This process helps to ensure that the first appointment you have is with the right service.

Who can refer to SPoA?

Anyone - children, young people, parents, carers, families, GPs and other professionals.

Making a referral

Go to e-wellbeing.co.uk/support and complete the referral form, providing a clear description of the mental health need and the help or advice you are seeking.

Flowchart:

```

graph TD
    A[Send referral to SPoA via online portal e-wellbeing.co.uk/support] --> B[SPoA triage the referral]
    B --> C[Referred to specialist service within SPoA]
    B --> D[Signposted to partner organisation for support]
    C --> E[First appointment]
    D --> E
  
```

Who is the service for?

SPoA accepts referrals for children and young people from the age of four up to a young person's 18th birthday. The young person must also be registered with a West Sussex GP, whilst recognising and working within NHS CHOC regulations (please note: YES will accept referrals for young people who live in West Sussex or go to a West Sussex school).

All Autistic Spectrum Condition (ASC) and ADHD (neurodevelopmental) referrals need to continue via the current referral routes, unless there is a mental health or emotional wellbeing concern separate to this. Referrals for young people with eating disorders should be made directly to the Sussex Family Eating Disorder Service (SFEDS).

If you are unable to complete the online referral form, or have any questions about a referral, please email: WestSussexSPoA@spft.nhs.uk for more information about the service, go to sussexpartnership.nhs.uk/west-sussex-spoa

Your school receives an FREE £1000 in...
Remember, there are over 20 primary schools in...
your school will be able to receive a maximum of £1000...
from every year 6 child in your school & a school...
entry in this scheme for FREE.

FLIGHT OF THE BUMBLEBEE
With funding from the Department for Education...
primary schools across the country are invited to...
participate in the Bumblebee Project. This is a...
national initiative to encourage children to...
learn about the importance of bees and the...
environment. The project aims to help children...
understand the role of bees in our lives and...
the importance of protecting them.

FOOD FOR THOUGHT
At the end of the project, each school will receive a...
copy of the Food for Thought book. This book...
contains information about the importance of...
food and the environment. It also contains...
information about the Bumblebee Project and...
the importance of protecting bees.
