# Current Respiratory Infection Guidance – Including Covid19

**The following information is from the government's latest guidance**

<https://www.gov.uk/guidance/people-with-symptoms-of-a-respiratory-infection-including-covid-19>

## **Children who have symptoms of a respiratory infection, including COVID-19**

Respiratory infections are common in children and young people, particularly during the winter months. Symptoms can be caused by several respiratory infections including the common cold, COVID-19 and RSV. For most children and young people, these illnesses will not be serious, and they will soon recover following rest and plenty of fluids.

Very few children and young people with respiratory infections become seriously unwell. This is also true for children and young people with long-term conditions.

Attending education is hugely important for children and young people's health and their future.

## **When children and young people with symptoms should stay at home and when they can return to education**

Children with mild symptoms such as a runny nose, sore throat, or slight cough, who are otherwise well, can continue to attend their education setting.

Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people, where they can. They can go back to school and resume normal activities when they no longer have a high temperature and they are well enough to attend.

All children with respiratory symptoms should be encouraged to cover their mouth and nose with a disposable tissue when coughing and/or sneezing and to wash their hands after using or disposing of tissues.

## **It is not recommended that children are tested for COVID-19 unless directed to by a health professional.**

If a child has a positive COVID-19 test result they should try to stay at home and avoid contact with other people for 3 days after the day they took the test, if they can. After 3 days, if they feel well and do not have a high temperature, the risk of passing the infection on to others is much lower. This is because children and young people tend to be infectious to other people for less time than adults.

Children and young people who usually go to school and who live with someone who has a positive COVID-19 test result should continue to attend as normal.

## Do you have a concern?

We hope you and your child have a great school experience. However, if you hold a concern about an experience at Chesswood Junior School, please share it with us. We always try to provide the best school experience we can for all members of the school community and we are interested to know where we can make improvements, small or large. Please use this email to share a concern: [concern@chesswood.w-sussex.sch.uk](mailto:concern@chesswood.w-sussex.sch.uk) We will always respond within 5 working days and often much quicker than that. You may also tag specific individual professionals but we would ask that the concern@ email address is always used to ensure senior leaders are kept well informed of experiences for children and families.

## Keeping up to speed

We are very aware both professionally and personally how hard it is to keep up with communications from school and from everywhere else for that matter. And nobody has the time to search for letters they think they might have missed and are experiencing understandable parent anxiety of the consequences of missing important

communications.

We hope the very clear links and organisation below will ensure you are able to find any school communication quickly and easily.

### 2022 Open Day & Evening

Dear parents,

On behalf of the Chesswood School community I would like to extend a warm invitation to our 'Open School' events for Year 2 families. On Wednesday 9<sup>th</sup> November, we will host the following:

- Open Morning - 9.30 a.m. - 12.00 p.m.
- Open Afternoon - 1.45 p.m. - 3.00 p.m.
- Open Evening - 5.00 p.m. - 7.15 p.m.

#### Open Morning and Afternoon

Parents are invited to take a tour of the school whilst it is in full swing! There are no special activities organised during these times, it is for you and your child to observe the good learning children experience every day at Chesswood. Tours will be led by our School Ambassadors (eloquent chatty children!) from a range of year groups – they are far more entertaining than those led by the adults!

If you intend to bring your child to Chesswood during the school day, please follow the guidance below:

- Children must register at their own school before attending Chesswood, in the morning.
- Parents should email [admissions@chesswood.w-sussex.sch.uk](mailto:admissions@chesswood.w-sussex.sch.uk) to confirm their name; the name of their child and whether they intend to visit in the morning or the afternoon. We will then collate and forward that information to your child's school, so that attendance records are accurate.
- On the open day parents and children will sign in with their child and this will be confirmed with your child's school so that the correct attendance code (V) may be used, this will then not affect their attendance rate. If you are intending to bring your child with you during the school day, we would ask that you first register your child at their infant school before bringing them to us. If this in the morning, please notify your child's school whether you intend your child to return before lunch so that they can ensure lunch is prepared for your child if necessary.

#### Open Evening

**5:00 – 6:00 p.m. – School Tours and Learning Demonstrations:** Although we recognise you will have many competing demands it is important that you seek to attend the evening session as a priority. You are welcome and encouraged to come to both. However, the presentation and opportunities for questions will provide you with the key information to help support your decision making. Parents and children will have the opportunity to experience different aspects of the Chesswood Junior Curriculum and Life in Year 3. There will be drop-in sessions for learning in all curriculum subjects. In addition, children's work, photos and videos from all year groups will be on display. Refreshments will be available throughout this session in the school reception area. This session is designed for children and parents together. We will provide a guide for parents on the evening upon arrival. Please enter the school via the Chesswood Road entrance and head to the main reception.

**6:00 – 6:15 p.m. Refreshments School Hall – Start of Crèche and Film arrangements** At the conclusion of our learning presentations, parents should take their children to two of our Year 3 classrooms and head to the school hall for a formal presentation. Refreshments are available throughout the evening and will also be

available in the hall. The guide you receive on the evening will show you which rooms Year 2 children are being based in.

**6:15 – 7:15 p.m. Formal Presentation:** The Head Teacher will share key information about the ethos; achievement; learning and teaching; the curriculum; behaviour; outcomes for children; and what children and parents think of the school. There will be an opportunity for parents to ask general questions to the head teacher before the open evening closes at 7.15 p.m.

#### Child Care

The school tours and learning demonstrations are designed for families, however the presentation (see below) at 6:15 p.m. is designed for parents only. As such, a children's movie (U) will be shown to Year 2 children attending whilst parents listen to the formal presentation. Year 2 children will be based in current Year 3 classrooms during the adult presentation and will be collected from these rooms at the conclusion of the presentation.

We are able to provide a crèche facility for children aged 4+ - there is a nominal £2 charge for this service if the child is not currently Y2. Children younger than 4 will need to remain with their parents during the presentation. Wherever possible, we ask that parents to make alternative care arrangements for a child less than 4 years old. Please let us know if you will be attending with your child in the evening and whether you will also need to make use of the crèche facility for younger children (E2) by Wednesday 2<sup>nd</sup> November - this will help us make appropriate staffing and childcare arrangements for the evening - please register your interest in use of this facility by completing the form on the Chesswood website - see the link below.

#### Before you visit

We are asking all parents at our local schools to register their interest in our open event on our website. Parents may do this by clicking the link below:  
<https://forms.office.com/Pages/ResponsePage.aspx?id=bFA6yNhwJat11nJfpxh9325SL1UVNCKORmP7vFN9pJ0KdYU0Z00U2APR0Q5N1U0RKSv12K4U054u>

The form also enables for families to ask or share up to three adult questions, queries or concerns. In addition, there is space to add up to three child led questions, queries or concerns. The form will close on Wednesday 2<sup>nd</sup> November at midday. We will then create a booklet for adult questions, queries and concerns we have received and one for children (this will need to be read in partnership with their parents).

Visit the Autumn Open Event page on the Chesswood website to view the current School Brochure and a wide range of other information. These documents and wider information tell you a great deal about life at Chesswood! ## Sports News

### Wall of Fame

During the first half term 100 different pupils have participated in 10 different sporting events during September and October. All of those who took part have their faces up on our Sports Representation board in the gym.

### Southern Area Basketball Finals

11 teams qualified for the Southern Area finals at The Angmering School on Thursday. We were drawn in a group against St Nic's (Shoreham), Georgian Gardens, Lyminster and Upper Beeding schools. The team started strongly with a 12-2 win over Lyminster, before a tough game against St Nic which also saw a 2-0 win. Georgian Gardens were our next opponents which was a 12-0 win and a 10-0 win followed against Upper Beeding. So 4 wins out of 4 put us as group winners and into the semi-finals.

The semi-final was against Broadwater, this was a comfortable 8-0 win and put us into the final, where we faced St Nic's again. In the final, the team went a basket behind, the first time in the competition, but they dug deep and scored the next 2 baskets winning 4-2 and becoming the Southern Area Champions!

Henry was also voted the MVP (Most Valuable Player) for the competition as picked by the young leaders who were running the event.

Team: Leon, Alexia, Max, Henry, Rachel and Jakub

### Upcoming Events:

- Tuesday 8<sup>th</sup> November – Y3 Football – Durrington High – please note change to venue
- Tuesday 15<sup>th</sup> – Y3/4 Girls Football – St Andrews High

## TT Rock Stars – England Rocks Competition

For Maths Week England we want to make Maths exciting and high profile in our school. We will be taking part in a friendly competition involving schools from England from Monday 14th November to Wednesday 16th November. It's all done online via [play.ttrockstars.com](http://play.ttrockstars.com).

For every correct answer to a multiplication or division question, your child will earn their class a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours, subject to a daily 60-minute limit (see below)). Winning classes in the school and in the competition as a whole will be the ones with the highest average.

All game modes (Gig, Garage, Studio, etc.) will count but only from games played between 7:30AM GMT and 7:30PM GMT on Monday 14th, Tuesday 15th and Wednesday 16th November. To support player wellbeing, there is a daily time limit of 60 minutes per player. In other words, each player can earn competition points for up to 60 minutes between 7.30am and 7.30pm. Once the player goes beyond 60 minutes of play on a given day, they will still earn coins but will no longer earn points towards the competition.

In the spirit of the competition, please don't play on their behalf but by all means encourage and support them to the extent that it doesn't cause high stress levels or impact on family plans. We suggest a limit of half an hour a day outside school hours – some will play more, some will play less.

We will be recognising the top scoring child in each class with a £5 Amazon Gift Voucher - whilst the highest scoring child in each year group will win an additional £5 voucher.

TT Rock Stars is a fun way for children to learn and become more confident with multiplication and division facts. If you have any doubt about which of the games on TT would be best for your child to use during the competition, please check the weekly year group Maths Fluency homework first. If you are still unsure, we would recommend the following, but please do speak with your child's teacher if you want any further clarification:

Year 3 - Garage or Jamming

Year 4 - Garage, Studio or Soundcheck

Years 5 and 6 - Garage, Studio, Festival, Arena or Rockslam.

To help make sure children's progress is tracked accurately, please ensure children are using the latest version of the Times Tables Rock Stars. In order to do this please visit [play.ttrockstars.com/reset](http://play.ttrockstars.com/reset) to load the latest version in their device's browser or check in the app store for the device that the app they are using is the latest version.

Thank you for your support. Good luck everyone!

## 'Talk PANTS'

## Internet Safety – BE SMART

The Internet and online communication is an ever-changing world. It is impossible to keep up with all the latest trends, apps and sites. However, the principles of online safety at Chesswood are consistent and address the key risks children face when engaging with the online world. We use the SMART resources in assemblies and linked to all e-safety lessons.

We would recommend all parents to speak to their children about the content of SMART, using the poster and video links below.
