## Do you have a concern?

We hope you and your child have a great school experience. However, if you hold a concern about an experience at Chesswood Junior School, please share it with us. We always try to provide the best school experience we can for all members of the school community and we are interested to know where we can make improvements, small or large. Please use this email to share a concern: [concern@chesswood.w-sussex.sch.uk](mailto:concern@chesswood.w-sussex.sch.uk) We will always respond within 5 working days and often much quicker than that. You may also tag specific individual professionals but we would ask that the concern@ email address is always used to ensure senior leaders are kept well informed of experiences for children and families.

## Keeping up to speed

We are very aware both professionally and personally how hard it is to keep up with communications from school and from everywhere else for that matter. And nobody has the time to search for letters they think they might have missed and are experiencing understandable parent anxiety of the consequences of missing important

communications.

We hope the very clear links and organisation below will ensure you are able to find any school communication quickly and easily.

## Report an illegally parked vehicle

If you see a vehicle parked where it shouldn't be then you can report it to us. This might include vehicles:

- on a yellow line or on double yellow lines
- in a restricted zone
- without a valid permit

**A Civil Enforcement Officer on duty nearby will be asked to visit the location and assess the situation. If necessary a Penalty Charge Notice (PCN) may be issued.**

## Record & Report it

call 0345 6800189 or 01903 221180 or

email NSL [report.onparking@nslservices.co.uk](mailto:report.onparking@nslservices.co.uk)

We **rely** on parents and members of the community to keep children safe – please record and report it

## Parking Before and After School – ALL – PLEASE READ

We have had several complaints from residents on both Chesswood Road and Ladydell Road, due to parents parking across driveways. Please avoid blocking residents' driveways as they may need access. Please also avoid 3 point turns on Laydell Road, as this can be dangerous with children crossing the narrow road.

At collection and drop off time, please ensure no part of a car you are driving or travelling in stops or parks on the white or yellow zig zag lines. Stopping or parking in the RED ZONES presents a VERY HIGH RISK TO CHILDREN AND IS ILLEGAL.

## Celebration Time!

We have recently received the national statistics for the Year 4 Multiplication Tables Check, which was completed by our current Year 5 children in the summer term, earlier this year. We are delighted to announce that Chesswood secured fantastic results which were consistently significantly above national outcomes. This is important because it shows that Chesswood children have the times table knowledge and fluency to help them become confident mathematicians and is an even more brilliant achievement considering the impact of the Covid-19 pandemic. This represents hugely promising outcomes for the school and is reflective of the diligent and high-quality provision and support in Years 3 and 4 to help children learn and become secure with their times tables. This truly is a brilliant team effort and achievement. Congratulations to the children for being such amazing Bright Sparks!

Each participating child receives a score out of 25 for the MTC. The mean average score at Chesswood was 22.9 out of 25 – this is higher than the mean average scores nationally, within West Sussex and all South East schools!

The most common individual score on the MTC was 25. 64% of Chesswood children scored 25 out of 25 – this is significantly higher than the national figure of 27% of children scoring 25 out of 25.

The current Year 4 children will complete the MTC in June 2023. For further information and support ahead of next year's MTC, please scan the QR code to view our dedicated MTC web page.

- The child is responsible for them and for looking after them
- They are traded fairly at normal playground rates – a fair trade cannot be undone without freewill of both children.
