

*Project Leader* **Andrew JOLLEY**

<b>Accessibility Plan Feedback request</b>	<b>2 Amber</b>	<b>Implementing</b>	04/01/2023	11/04/2023
--	----------------	---------------------	------------	------------

*Driver:*
Redevelopment of accessibility plan - last full feedback for disability equality scheme was 2015.

*Success*
Whole community ability to participate in feedback - well advertised  
Option to feedback beyond online form  
Specific responses invited for 4 key areas + catch all  
School leaders are able to demonstrate review of all feedback and action taken wherever it is reasonable to improves aspects of practice raised

<b>Ordinarily Available Inclusive Practice (OAIP) audit</b>	<b>2 Amber</b>	<b>Developing</b>	11/01/2023	11/04/2023
---	----------------	-------------------	------------	------------

*Driver:*
The West Sussex Inclusion Framework is a self-evaluation tool - it links to the OAIP which has a section on accessibility. This section has not been completed yet.

*Success*
The OAIP accessibility is complete with all resultant actions included on the school information database

<b>Trip Hazards - North Courtyard</b>	<b>2 Amber</b>	<b>No Progress</b>	11/01/2023	11/04/2023
---------------------------------------	----------------	--------------------	------------	------------

*Driver:*
North courtyard area - flag stones are loosening and becoming trip hazards. This is a well-used play area - especially for more vulnerable children.

*Success*
Area is free from trip hazards.
