Are you exhausting?

Dear Parent,

I writing after being contacted by a family this week regarding the harm caused by idling engines immediately outside of a school (although it applies everywhere). It is a habit that most drivers have but it is on that can be easily changed with benefits for all

1. Protecting children's health
2. Saving money
3. Helping the environment

We have created a web page to help the school community easily find out more in formation. In addition, we have created a few posters that will be on our noticeboards at school entrances. In addition, we will be encouraging children through our assembly programme to help parent drivers adopt good habits by switching off their engines within 20 seconds to get the maximum benefit for all.

I hope you will feel able to protect your and other children's health, enjoy saving a bit of money and help protect the environment a little. Please try to support this campaign wherever you can.

Find out more: <https://www.chesswood.w-sussex.sch.uk/page/?title=Switch+off+Your+engine&pid=1739>

Yours faithfully,

Andrew Jolley

Do you have a concern?

We hope you and your child have a great school experience. However, if you hold a concern about an experience at Chesswood Junior School, please share it with us. We always try to provide the best school experience we can for all members of the school community and we are interested to know where we can make improvements, small or large. Please use this email to share a concern: concern@chesswood.w-sussex.sch.uk We will always respond within 5 working days and often much quicker than that. You may also tag specific individual professionals but we would ask that the concern@ email address is always used to ensure senior leaders are kept well informed of experiences for children and families.

Keeping up to speed

We are very aware, both professionally and personally, how hard it is to keep up with communications from school and from everywhere else for that matter. Nobody has the time to search for letters they think they might have missed and my experience understandable parent anxiety of the consequences of missing important

communications.

MEDICATION IN SCHOOL

This email is a reminder of the school's policy on the administration of prescribed and non-prescribed medication to pupils, based on guidance and regulations issued by Dept of Health.

FOR THE SAFETY OF ALL PUPILS, CHILDREN SHOULD NEVER CARRY MEDICATION (INCLUDING THROAT SWEETS) ON THEIR PERSON OR IN THEIR SCHOOL BAGS. ALL MEDICATION MUST BE HANDED IN TO THE SCHOOL OFFICE.

Prescribed medication

In most circumstances, medication (e.g. antibiotics) prescribed three times a day can be taken at home

- before school,
- after school
- before bedtime.

However, if your child is required to take prescribed medication four times a day or at set times (such as prior to a meal), clear written instructions must be provided, and the medicine must be kept in a properly labelled container.

The label must be clear and free from alterations or defacement and must show:

- The name of the medication
- The name of the student
- The dosage
- Specific directions for the medication (not simply "as directed" or "as required")
- The name of the dispensing pharmacist/doctor
- The expiry date and the date of issue

A parental agreement form for administering prescribed medication must be completed prior to the medication being administered. The form can be found on our website:

HOME > PASTORAL > MEDICAL INTERVENTION > PRESCRIBED MEDICATION

Non-prescribed medication

The use of non-prescribed medication is generally discouraged but we recognise that very occasionally pain relief may be required.

Only the following medication will be administered if symptoms develop in school:

- Paracetamol
- Antihistamine
- Travel sickness (only administered on the return journey of a school trip)

If your child regularly suffers from acute pain such as migraine, you may authorise and supply appropriate painkillers complying with the details as above for 'Prescribed Medication' with a note from your GP or health adviser. Please be advised that all expired medication will be discarded.

The school will not administer non-prescription medication:

- For more than 48 hours and no more than twice per term, with at least a two week break between requests. The school will advise parents to seek advice from their GP if symptoms persist for longer.
- As a preventative, i.e. in case the pupil develops symptoms during the school day
- That is sucked, i.e. lozenges and throat sweets
- If the pupil is taking other prescribed or non-prescribed medication. Only one non-prescribed medication will be administered

A parental agreement form for administering non-prescribed medication must be completed prior to the medication being administered. The form can be found on our website:

HOME > PASTORAL > MEDICAL INTERVENTION > NON-PRESCRIBED MEDICATION

Please make sure that your emergency contact number is up-to-date via the My Child at School app and that you are contactable, in case we need to discuss collection of your child.

1 **ABSENCE REPORTING**

If your child is absent from school for any reason, (including medical appointments) please report their absent via our online Reporting Sickness Absence form. The absence reporting form can be accessed by clicking [HERE](#) or by visiting the school website:

HOME > PARENTS > ATTENDANCE & PUNCTUALITY > REPORTING SICKNESS ABSENCE

Their absence should be reported by 9.00am each day of their absence.

Your message should clearly state:

- Child's name
- Class
- Reason for absence (if illness please specify the nature of the illness)

If the school does not receive a reason for your child's absence, we will call home to confirm a reason. If we are unable to contact you for confirmation, we will log the absence as unauthorised.

If you repeatedly fail to inform the school, why your child is absent we will follow up as a child missing in education/safeguarding concern.

Inset Day childcare

We will be arranging childcare facilities at Chesswood for families who need it on the Inset Day on Wednesday 8th March 2023. We will be sending out information regarding this and how to book after half term.

Netball Club Cancellation

Please note Netball Club on Monday 20th February will be cancelled.

ABSENCES FOR MEDICAL AND DENTAL APPOINTMENTS

Every effort should be made to avoid making medical and dental appointments during school time. Where this is unavoidable parents should complete a request for absence form, which can be accessed [HERE](#) or via our website:

HOME > PARENTS > ATTENDANCE & PUNCTUALITY > REQUEST FOR AUTHORISED ABSENCE

PLEASE NOTE:

You should only be contacting the school by phone to report an absence if you do not have access to the internet.

We no longer use Studybugs as a platform for reporting absences. The Studybugs email inbox is no longer monitored. Please delete the app off your mobile phones.

Eat Them To Defeat Them

Eat Them To Defeat Them is back!

We would like to celebrate your child's healthy eating habits so have a look at the pack they bring home and try one of the following:

- Complete the veggie chart and bring into school/send us a picture

Please email any of the above to grwright@chesswood.w-sussex.sch.uk. The deadline for all entries is Friday 24th March 2023. We will celebrate our healthy eaters on our website, in our newsletters and on our social media pages.

Get beeting! Peas don't delay! You have bean warned!

ALL PARENTS – PLEASE READ – IMPORTANT INFORMATION – ENERGY DRINKS

We are just reminding parents that children should only be drinking water whilst in school.

We are seeking to support children's health and well-being and need parents help to do this.

We would ask that drinking bottles are sent in that are appropriate and wherever possible not branded.

We are particularly concerned by drinking bottles advertising or previously used to contain energy drinks that are spectacularly bad for children's health and well-being.

If a child has an energy drink bottle, we will remove it and ensure that the child has access to water from another container at lunch or during the day.

If this should be required, we will, in all instances, contact parents requesting that they take steps to prevent this happening again.

Please also ensure that your child's name is on their bottle so that it can be re-united with them if it was to go missing.

We thank you for your help in this matter.
