Do you have a concern?

We hope you and your child have a great school experience. However, if you hold a concern about an experience at Chesswood Junior School, please share it with us. We always try to provide the best school experience we can for all members of the school community and we are interested to know where we can make improvements, small or large. Please use this email to share a concern: concern@chesswood.w-sussex.sch.uk We will always respond within 5 working days and often much quicker than that. You may also tag specific individual professionals but we would ask that the concern@ email address is always used to ensure senior leaders are kept well informed of experiences for children and families.

Keeping up to speed

We are very aware, both professionally and personally, how hard it is to keep up with communications from school and from everywhere else for that matter. Nobody has the time to search for letters they think they might have missed and my experience understandable parent anxiety of the consequences of missing important

communications.

We hope the very clear links and organisation below will ensure you are able to find any school communication quickly and easily.

MEDICATION IN SCHOOL

This email is a reminder of the school's policy on the administration of prescribed and non-prescribed medication to pupils, based on guidance and regulations issued by Dept of Health.

FOR THE SAFETY OF ALL PUPILS, CHILDREN SHOULD NEVER CARRY MEDICATION (INCLUDING THROAT SWEETS) ON THEIR PERSON OR IN THEIR SCHOOL BAGS. ALL MEDICATION MUST BE HANDED IN TO THE SCHOOL OFFICE.

Prescribed medication

In most circumstances, medication (e.g. antibiotics) prescribed three times a day can be taken at home

- before school,
- after school
- before bedtime.

However, if your child is required to take prescribed medication four times a day or at set times (such as prior to a meal), clear written instructions must be provided, and the medicine must be kept in a properly labelled container.

The label must be clear and free from alterations or defacement and must show:

- The name of the medication
- The name of the student
- The dosage
- Specific directions for the medication (not simply "as directed" or "as required")
- The name of the dispensing pharmacist/doctor
- The expiry date and the date of issue

A parental agreement form for administering prescribed medication must be completed prior to the medication being administered. The form can be found on our website:

HOME > PASTORAL > MEDICAL INTERVENTION > PRESCRIBED MEDICATION

Non-prescribed medication

The use of non-prescribed medication is generally discouraged but we recognise that very occasionally pain relief may be required.

Only the following medication will be administered if symptoms develop in school:

- Paracetamol
- Antihistamine
- Travel sickness (only administered on the return journey of a school trip)

If your child regularly suffers from acute pain such as migraine, you may authorise and supply appropriate painkillers complying with the details as above for 'Prescribed Medication' with a note from your GP or health adviser. Please be advised that all expired medication will be discarded.

The school will not administer non-prescription medication:

- For more than 48 hours and no more than twice per term, with at least a two week break between requests. The school will advise parents to seek advice from their GP if symptoms persist for longer.
- As a preventative, i.e. in case the pupil develops symptoms during the school day
- That is sucked, i.e. lozenges and throat sweets
- If the pupil is taking other prescribed or non-prescribed medication. Only one non-prescribed medication will be administered

A parental agreement form for administering non-prescribed medication must be completed prior to the medication being administered. The form can be found on our website:

HOME > PASTORAL > MEDICAL INTERVENTION > NON-PRESCRIBED MEDICATION

Please make sure that your emergency contact number is up-to-date via the My Child at School app and that you are contactable, in case we need to discuss collection of your child.

ABSENCE REPORTING

If your child is absent from school for any reason, (including medical appointments) please report their absent via our online Reporting Sickness Absence form. The absence reporting form can be accessed by clicking [HERE](#) or by visiting the school website:

HOME > PARENTS > ATTENDANCE & PUNCTUALITY > REPORTING SICKNESS ABSENCE

Their absence should be reported by 9.00am each day of their absence.

Your message should clearly state:

- Child's name
- Class
- Reason for absence (if illness please specify the nature of the illness)

If the school does not receive a reason for your child's absence, we will call home to confirm a reason. If we are unable to contact you for confirmation, we will log the absence as unauthorised.

If you repeatedly fail to inform the school, why your child is absent we will follow up as a child missing in education/safeguarding concern.

ABSENCES FOR MEDICAL AND DENTAL APPOINTMENTS

Every effort should be made to avoid making medical and dental appointments during school time. Where this is unavoidable parents should complete a request for absence form, which can be accessed [HERE](#) or via our website:

HOME > PARENTS > ATTENDANCE & PUNCTUALITY > REQUEST FOR AUTHORISED ABSENCE

PLEASE NOTE:

You should only be contacting the school by phone to report an absence if you do not have access to the internet.

We no longer use Studybugs as a platform for reporting absences. The Studybugs email inbox is no longer monitored. Please delete the app off your mobile phones.

History Competition

Local historian Chris Hare needs your help!

The Friends of the South Downs are producing a photo book celebrating 'A Year in the Life of the South Downs.'

They would like children from local schools to write about one of the photos they have taken.

You could create a piece of creative writing, describe the photo, complete a research project- whatever you would like.

Your piece of writing may be chosen to feature in the book along with the photo!

School Disco

We were thrilled to be able to hold a school disco again this week and the children had a fantastic time. The DJ was great and there were some amazing dance moves. 😊 **A**

HUGE THANK YOU to all parent helpers and staff who helped both on the evening and also in the days leading up to the event – there is always a lot to organise behind the scenes and we couldn't run these events without your help. We raised just over £2,000 from the evening.

TREAT DAY

We held a Treat Day before half term and sold virtually every item! We raised just under £500 from this.

BAG2SCHOOL CLOTHING COLLECTION

Our recent collection raised £100.

PRE-LOVED UNIFORM

Our PTA team do a great job in sorting through our pre-loved uniform and holding uniform sales. Our latest sale raised an amazing £378. In addition to the uniform sales, pre-loved uniform is always available by contacting the school office.

We are currently fundraising to develop our outdoor areas – we hope to be able to give you more information regarding these plans very shortly 😊

Sports News

Football Festival

A chance to give all those who regularly attend football club but who have not yet played for the school teams was given to 29 players on Tuesday. The Laurels Primary school came to Chesswood to give all players the opportunity to represent their school in fun football festival. Each team played 2 games and we were not looking for results but for the players to show teamwork, determination, passion and self-belief (the School Games Values) and each player certainly did!

Gymnastics Workshop

A fantastic afternoon of gymnastics fun!! Eight students from year 3 and 4 took part in a Gymnastics Workshop at Orchards Junior School. They had the opportunity to practice lots of different skills and gymnastics elements. In the end, they had to choose 7 elements they felt the most confident with and create their own routines!!!

Upcoming Events:

- Wednesday 1st March – Y6 Netball WSSA Tournament - Durrington High
- Tuesday 7th – Y5 Netball tournament – Worthing High
- Thursday 9th – Y3/4 Indoor Athletics Competition – St Andrews

As with all our events we do need specific numbers to take part so if your child has been invited and they are unable to attend please email pe@chesswood.w-sussex.sch.uk to inform Mr Quick so he can invite another pupil.

Staff Changes

Miss Spence left us at half term for a new teaching position nearer her new home. We wish to thank her for her amazing work with the year 6 children, especially 6NS and her work on the PSHE team, notably the development of an Anti-Bullying Ambassador team. We also wish her well in her new job and hope that our paths cross again in the future.

Mrs O'Leary has moved from part-time teaching in 6PO to full-time teaching in 6NS. This is fantastic for the continuity of high-quality teaching that 6NS will receive and lovely that they know her already from the year group.

We also welcome back Mrs Gemma Arkinstall to take over the part-time teaching of 6PO - she previously worked at Chesswood for many years and thankfully we managed to twist her arm to teach for us once more. Again, this gives fantastic continuity for the children with such an experienced Chesswood teacher joining Mrs Peace to bridge the gap until the end of the school year.

Mrs Pavi Rupasinghe will sadly be leaving us, with her last day being Friday 3rd March.

Mrs Rupasinghe (known to the children as Mrs Pavi) has been a valued member of the Chesswood team since September 2020.

In this time, she has worked as a class TA, supporting a number of children, predominantly in Year 3.

Whilst we are sad to lose Pavi, we are delighted that she has managed to secure a finance-related post, where she also has a range of expertise.

I would like to take this opportunity to wish Pavi every happiness and success in the future and thank her for the commitment to our children, families and community during her time with us.

Are you exhausting?

Dear Parent,

I writing after being contacted by a family this week regarding the harm caused by idling engines immediately outside of a school (although it applies everywhere). It is a habit that most drivers have but it is on that can be easily changed with benefits for all

1. Protecting children's health
2. Saving money
3. Helping the environment

We have created a web page to help the school community easily find out more in formation. In addition, we have created a few posters that will be on our noticeboards at school entrances. In addition, we will be encouraging children through our assembly programme to help parent drivers adopt good habits by switching off their engines within 20 seconds to get the maximum benefit for all.

I hope you will feel able to protect your and other children's health, enjoy saving a bit of money and help protect the environment a little. Please try to support this campaign wherever you can.
