

Audition 1: Marty, Jennifer, Biff and Princess Amelia

Marty: Er... can we just rewind please? The DeLorean works. It's taken us back in time.

Jennifer: We've time travelled to 1800. The flux capacitor really works? Who knew harvested solar energy could do something so marvellous?

Biff: Marvellous for sure – but how do we get back?

Marty: Back? To 2023? We can learn so much from the past. Don't worry, we have enough energy to go back to the future. (He taps a solar energy capsule) Besides, I have a plan. (Nodding his head towards Princess Amelia) I think I know how to win the history competition.

Jennifer: I see where you're going with this. Do you think the Princess might be up for a little time travel? Plenty of health spas in 2023. There's Bailiffscourt...

Biff: Er, McFly...Butthead! This is crazy.

Princess Amelia: Excuse me, kind gentle folk. Are you lost? Is this 'Bailiff's Court' you speak of very far?

Marty: Princess, it is an honour and privilege to meet you - in person. We talk about you at school often. My teacher is quite obsessed.

Princess Amelia: As one should, of course.

Biff (rolling his eyes): Oh please...

Audition 2: Marty, Jennifer, Biff and Princess Amelia

Jennifer: Princess. I know this sounds crazy, but we have travelled from the future. 2023 to be precise.

Marty: If you would like to time travel back to the future with us, would you mind if we showed you off as part of a history competition, and in return, we'll make you feel better with modern medicine.

Princess Amelia: Oh really? (She thinks about this for a second) And who is the King in 2023.

Jennifer: King Charles III.

Princess Amelia: (excitedly and clapping her hands) Really! Another Charles! Does he like to party like the previous King Charles? I'd have loved to have met him in person. I was told he was a lot of fun. Are you from the royal court? Shall I be presented to King Charles III?

The children look at each other and shrug.

Marty: We're from Chesswood Junior School. Here's a photo of our school. This is my class.

Princess Amelia: Photo. What on earth is a photo?

Marty changes the subject.

Marty: How is your father, Princess?

Princess Amelia: His Majesty, King George you mean.

Biff: There were several King Georges wasn't there?

Princess Amelia: (She scoffs) You're from the future. Surely you would know.

Biff: I didn't really listen to my history teacher.

Marty: Let me explain...
