Do you have a concern?

We hope you and your child have a great school experience. However, if you hold a concern about an experience at Chesswood Junior School, please share it with us. We always try to provide the best school experience we can for all members of the school community and we are interested to know where we can make improvements, small or large. Please use this email to share a concern: concern@chesswood.w-sussex.sch.uk We will always respond within 5 working days and often much quicker than that. You may also tag specific individual professionals but we would ask that the concern@ email address is always used to ensure senior leaders are kept well informed of experiences for children and families.

Keeping up to speed

We are very aware, both professionally and personally, how hard it is to keep up with communications from school and from everywhere else for that matter. Nobody has the time to search for letters they think they might have missed and my experience understandable parent anxiety of the consequences of missing important

communications.

We hope the very clear links and organisation below will ensure you are able to find any school communication quickly and easily.

April 2023

Dear Parents

Inset Day – Wednesday 17th May 2023

We will be holding an INSET day at Chesswood on Wednesday 17th May 2023 and plan to arrange childcare facilities, at school, for families who need it.

The details are as follows:

- Wednesday 17th May 2023 - 7:30am to 3:30pm to include breakfast.
- A range of activities will be provided throughout the day, such as art and craft, board and card games, sports, nature documentaries and general play.
- Children will need a packed lunch and a fruit snack. Breakfast will be supplied between 7:30am – 8:15am.
- The cost for the day will be £25.00 per child to be paid in full by Monday 8th May 2023.
- Numbers will be limited and based on a first come first served basis, for paid only bookings (non-refundable)

The children will be cared for throughout the day by members of our school support staff, all of whom are suitably qualified, DBS checked and hold first aid qualifications. Should your children have any allergies or medical conditions, please indicate on the form included.

Should you wish your child to attend, please book online via MCAS (in Trips and Events) or on the slip provided. Where two or more siblings are attending, we will offer a 50% reduction in fees for the second child - please contact finance@chesswood.w-sussex.sch.uk to arrange this. All bookings must be made no later than 8th May 2023, please.

Yours sincerely

Andrew Jolley

Bookings will be available via MCAS from **1st April**.

After School Club bookings

Our After School Club is proving to be very popular and large numbers of children are attending on a daily basis. This means that we are now at capacity with numbers several days a week and we will therefore be making changes to our booking system after the Easter break so that we can ensure the safety of the children at the Club.

- **All bookings must be made at least 24hrs in advance** – this is so that we have sufficient staffing and resources in place for the sessions
- **There will be a cap on numbers each day** so you may find that sessions are fully booked if not booked far enough in advance – we must restrict numbers due to safety
- If children arrive at After School Club and have not been booked in then we will ring parents and ask that children are collected – they will be unable to join After School Club if the cap has been reached but will be kept safely in school until your arrival.

We understand this may lead to disappointment if you are unable to book your child into After School Club but we are making these changes to ensure your child's safety. We would suggest booking early to secure your place. Thank you.

School Meals – New Ordering System

Chartwells are currently contracted by WSCC to provide hot school meals to the school. They are rolling out a new ordering system (ParentPay). The new system will allow you to select a specific meal for your child, this will also ensure they get this at lunchtime.

Due to this, all hot school meals including if your child currently gets a free hot school meal will need to be selected in advance. Children will not be able to choose their own meal at lunchtime and will be served what has been selected in advance.

On the **24th April** all parents received a login for the new system from the school. You need to order meals for the week beginning the **22nd of May**. Meals before this date will continue to be ordered and paid for using the current meal selector system.

You **MUST** order the exact meal at least 2 weeks in advance for your child on the days you require them to have a hot meal. Medical diets and Lifestyle can be selected at the point of ordering, medical evidence is still required for allergies.

Ordering System	Notes	Date
Meal Selector	Last orders to be placed by parents and schools	14 th May
Meal Selector	Last day of these meals to be served	19 th May
ParentPay	Parents can order on the new system	24 th Apr
ParentPay	1st Order cut off	11 th May
ParentPay	Meals Served (Kitchen Go Live)	22 nd May

A new school lunch ordering system, ParentPay, is coming to your school.

Book all meals, universal, free or paid, online, for all school lunches from Monday 24th April.

Ordered meals will be served from Monday 22nd May

It's easy, quick and safe. Select your meal choices in advance.

Sports News

Y3/4 Netball Shootout

In an event very much like a football penalty shootout 9 teams pitted their netball scoring skills against each other last Friday at Chesswood. In each game each player had 3 shots from set points to add to their team total. We had 2 teams in the event each playing 8 matches in the round-robin competition.

The Blue team finished 5th overall and the Red team 4th. A big thank you to some of our Sports Leaders (Barnaby, Matilda, Belle, Maiya, Ava S and Betsy) who helped score each game and manage the teams.

Red Team: Anina, Esther, Leo, Siya, Selina, Jess, Gabriel and Angeline.

Blue Team: McKenzie, Ana, Trey, Skye, Rebeka, Elisha, Lilly and Amelia

Y4 Tri-Golf Competition

Another 2 teams from lower school competed in the tri-golf skills challenges on Tuesday against 6 other schools. Putting and chipping challenges were set out and the teams had to try and score as many points as possible in the time given at each station. The whole event was run by the WSSA Legacy Leaders (pupils from Y6 across Worthing – who had been trained at Chesswood). Lots of our pupils had their first go at representing the school at a sporting event and loved the occasion. Klara and Lola P were awarded medals for showing positivity and determination during the event.

Our teams again finished 4th and 5th and were only separated by 6 points after the 8 events.

Red Team – Georgia, Klara, Lola E, Macey, Victor, Thomas, Spencer, Lucas and Leon – managed by Matilda and Belle.

Blue Team – Eden, Joao, Heath, Felix, Lola P, Leia, Amelia, Maja and Elizabeth – managed by Barnaby and Dylan.

Y5/6 Quadkids Trials

Following our success as Sussex Country Champions last year, we will be holding trials for the Y5/6 Quadkids competition this year on Tuesday 9th May between 3.15-4.15pm. If pupils would like to try out for the team they will need to complete a 75m sprint, 600m run, howler throw and standing long jump at the trial. This is for the competition which is on Wednesday 17th May (INSET day) at Worthing Leisure Centre between 3.45-5.00pm.

If your child would like to attend please ENROL via MCAS -> Extra-curricular clubs & activities -> Available or email pe@chesswood.w-sussex.sch.uk so we know to expect your budding athlete!

Upcoming Events:

- Wednesday 3rd May – Y3/4 Road to Eastbourne Tennis skills Competition – TAB Juniors
- Thursday 4th May – Y3/4 Gymnastics Competition – Orchards Junior (change of date)
- Tuesday 9th May – Y5/6 Quadkids Trials – Field 3.15-4.15pm
- Wednesday 17th May (INSET) – Y5/6 Quadkids Athletics – Worthing Leisure Centre

As with all our events we do need specific numbers to take part so if your child has been invited and they are unable to attend please email pe@chesswood.w-sussex.sch.uk to inform Mr Quick so he can invite another pupil.

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one of many apps which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

What Parents & Carers Need to Know about

WIZZ

AGE RESTRICTION
12+

12+ App Store
Teen Google Playstore

WHAT ARE THE RISKS?

Wizz is a networking app which allows users to connect and chat with other people around the world. Its principle is similar to a dating platform: users have a profile with up to three photos, along with optional interests and hobbies tags. This allows other like-minded people to be recommended in searches. If a user likes what they see on someone's profile, they can initiate conversation through the instant message feature; otherwise they swipe on. The app does use age verification technology when an account is created and groups users by age.

OVER-SHARING

Immediately after setting up an account, users start receiving friend requests (mainly from the opposite gender). For many young people, this will be exciting and a boost to their confidence. As young people tend to be more trusting online and may believe what others tell them, however, this can lead them into dropping their guard and revealing personal information to strangers.

CATFISHING AND PREDATORS

Wizz uses Yoti, a digital ID system, to verify users' age. The AI only detects approximate age, though – so an older person who looks younger could be grouped with teens (or vice versa). Also, profile pics on Wizz don't have to match the face of the person who did the initial age verification: it would be fairly easy to create a fake account using another person's photos with a made-up name and age.

EXPLICIT CONTENT

During our research, conversations on Wizz very quickly turned sexual. Users frequently suggested 'taking it to Snapchat' (Snapchat's disappearing image feature can make it conducive to sharing explicit selfies), connecting on other social media, swapping nude or semi-nude pictures, or holding sexual chats. Those users created an impression of the platform being sleazy and unsafe for young people.

INTIMATE IMAGES

It's not unheard of for young people to be coerced into sending suggestive images of themselves over apps of this kind. Given that Wizz connects users with strangers, who may not be honest about their real intentions, a teenager might conceivably be persuaded to share sexually suggestive selfies by someone who they believed they had a trusting relationship with.

NO PARENTAL CONTROLS

The app claims to provide a secure and inclusive environment, but our researcher couldn't find any parental controls or safety features in evidence. If you report another user for inappropriate behaviour, you are offered the option to block them – but there's no indication as to whether the block has actually been successful, and there was no follow-up contact from the developers.

SECRETS AND SUBSCRIPTIONS

Wizz sent our researcher occasional 'mystery' friend requests from a blurred-out profile. To discover the sender's identity, users can either watch a video (usually an ad for a game or app) or take out a monthly subscription. Cynics might suggest this could be a way to exploit young people's curiosity into making them pay for the app, and that the 'secret admirers' are bots rather than real people.

Advice for Parents & Carers

TALK IT OUT

If your child has downloaded Wizz, talk to them about why they like it and who've chatted with. Have they shared any personal details with this person or connected with them on other social media platforms? Refresh your child's memory of the various risks that can arise from engaging with strangers online and get them to consider using a similar app with more robust safety features.

BE SUPPORTIVE

When connecting with strangers on apps like Wizz, seemingly innocent chats can quickly progress to become sexually explicit and lead to nudes being sent. Make sure your child knows to come to you if they're uncomfortable about anything they've been sent or been asked to send. If they've already shared something that they now regret, reassure them that you'll support them no matter what.

EMPHASISE CAUTION

Young people are far more inclined to see the good in others; they often overlook the fact that scammers set up fake accounts on apps like this with the intention of getting money or personal data. Remind them that not everyone online is who they claim to be, how easy it is for someone to create a bogus profile, and why it's vital to think twice about sharing anything on networking apps.

KEEP THINGS TRANSPARENT

It might feel awkward, but regular chats about your child's online life can be beneficial. If they seem suddenly anxious or secretive around their phone or tablet, they may have something they need to get off their chest. You could also consider not allowing digital devices in their bedroom, especially overnight – that's when a lot of the riskier conversations on apps like Wizz tend to take place.

The Big Help Out – School Governors

Dear Parents,

To mark His Majesty The King's Coronation thousands of organisations across the country are getting together to give us all the chance to help out in our own local communities.

Starting on Monday 8th May there will be opportunities for everyone to join in. No matter what you are good at, there'll be something to suit helping hands of all shapes and sizes! From checking in on someone who'd like a bit of company or volunteering for a charity the more of us who join the bigger help we will be.

If you'd like to explore this more, you can access the Big Help Out website at <https://thebighelpout.org.uk>

Within our school community we have a group of volunteers that support the school by becoming a Governor and to mark the Big Help Out I thought I'd tell you a little about what we do. But firstly, let me introduce the Governors to you:

Mike Carpenter, Chair of Governors

Steve Allibone, Governor

Lee Boddy, Governor

Phillipa Jackson, Governor

Beth Liassides, Governor

Sao Roque, Vice Chair of Governors

Rachel Baker, Governor

Hazel Fagon, Governor

Andrew Jolley, Head teacher

Jo Peace, Staff Governor

You will see that we have a staff Governor, who is chosen to represent all staff and, of course, the Headteacher as leader of the school is also a Governor. Other Governors are either Parent Governors or Co-opted Governors chosen from the wider community.

Until recently we also had Darren Carroll as a Governor and Chair of Governors, and I wanted to take this opportunity to publicly thank Darren for all his efforts whilst a Governor and in particular in his role as Chair of Governors.

He led the group extremely well and has supported the school tirelessly throughout – Thanks Darren!

So, what do we do? Well, we have three key functions.

- Firstly, we set the strategy, vision and ethos for the school - "What do we want Chesswood Junior School to be like for the pupils and staff? What do we want to achieve?"
- Secondly, we focus on Educational Outcomes – Ensuring their a broad, appropriate curriculum and making sure everyone achieves their best, not just in Year 6 but every year.

Chesswood Junior School

- Thirdly, we make sure the money is spent well - What are the most important things to spend our money on? How can we make sure everyone benefits?

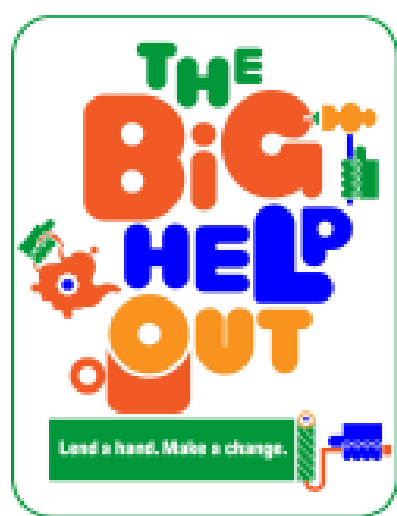

To achieve this we have regular meetings, but more importantly we speak to children, staff and parents, and we visit the school and try to experience first-hand how the school is working.

Being a school Governor is an incredibly fulfilling role and as we prepare the school to welcome early years children from Lyndhurst on to the site from September 2024 there is great opportunity to help the wider community further.

If you are interested in becoming a Parent Governor we have two vacancies and you can contact me in the first instance at cog@chesswood.w-sussex.sch.uk.

We are always interested in hearing from parents on their experience of Chesswood so if you want to speak to any Governor at any time, let the School know or contact me direct.

Yours faithfully,
Mike Carpenter
Chair of Governors
