Year 2 pupils Open Day – 4th July

Transition Day – 5th July

Teachers Strike Day – 5th & 7th July

Homework

Please [Click here](#) for information and guidance regarding your child's homework.

Do you have a concern?

We hope you and your child have a great school experience. However, if you hold a concern about an experience at Chesswood Junior School, please share it with us. We always try to provide the best school experience we can for all members of the school community and we are interested to know where we can make improvements, small or large. Please use this email to share a concern: concern@chesswood.w-sussex.sch.uk We will always respond within 5 working days and often much quicker than that. You may also tag specific individual professionals but we would ask that the concern@ email address is always used to ensure senior leaders are kept well informed of experiences for children and families.

Keeping up to speed

We are very aware, both professionally and personally, how hard it is to keep up with communications from school and from everywhere else for that matter.

We hope the very clear links and organisation below will ensure you are able to find any school communication quickly and easily. You may find the current and all previous newsletters for this academic year for reference on our website –

[Chesswood Junior School - Latest Correspondence](#)

Newsletter from previous academic years may be found at –

Young Carers

Does your child or a child you know help to look after a relative with a disability, special needs, illness, mental health condition, or drug or alcohol problem?

Young carers may undertake all sorts of help, support and care activities beyond normal expectations of a child in the same age group i.e. beyond keeping the bed room tidy and helping with some household chores.

Examples of help, support and care activities

- Practical tasks, like cooking, housework and shopping.
- Physical care, such as helping someone out of bed.
- Emotional support, including talking to someone who is distressed.
- Personal care, such as helping someone dress.
- Managing the family budget and collecting prescriptions.
- Helping to give medicine.
- Helping someone communicate.
- Looking after brothers and sisters.

If you think your child could reasonably be considered a young carer please contact us by email

pastoral@chesswood.w-sussex.sch.uk

No access to email? Please call 01903 204141 and ask for a member of the pastoral team

Our pastoral team will be able to help secure access support for Young Carers

Important Information ALL families

Dear Parent,

Strike Action 5th July

I am writing to confirm that children currently in **Y3, 4 and 5 should ALL attend school on Wednesday 5th July**. It is expected that there will be some strike action on transition day. However, given the complexity arrangements within and between schools, these are the 'least worst' arrangements that we can secure in the circumstances. On that basis, some children (we do not know which at this stage) will not have their new teacher available on the day but will complete broadly the same activities. Families can be assured, we will make further arrangements in the coming weeks to ensure any teacher taking strike action meets their class.

ALL children in Y2 enrolling at Chesswood will attend Wednesday 5th July. All teachers in this team have confirmed they intend to report for work to complete the transition arrangements

Children currently in Y6, enrolling at any local secondary school (with the exception Bohunt High School) will attend that school following the arrangements sent directly to families by that school.

Children enrolling at Bohunt will attend Chesswood on Wednesday 5th July and Bohunt Thursday 6th July.

Please note: **All clubs and interventions will take place as normal on this day.**

Strike Action 7th July

We will return to our normal strike communication in advance of Friday 7th July. Parents will receive confirmation of classes open and closed on afternoon of Wednesday 5th July.

Please note: **All clubs and interventions will be cancelled on this day.**

School Performance

Please accept my apologies, it is no longer possible to use Thursday 13th July for the school performance as critical staff cannot be available. Instead, that performance has now been arranged for Friday 14th July 4p.m. All children in the play will need to remain at school and attend Friday 14th July.

Thank you for your forbearance and understanding at this time. As ever, if you have any questions, concerns or queries please don't hesitate to contact me: head@chesswood.w-sussex.sch.uk

Yours faithfully,

MS fundraiser

Our school Governor Beth Liassides has signed up for The May 50K and will be 100km this May to raise funds for research into multiple sclerosis and create better access to treatments.

3 out of 4 people affected by MS are female and 10 people are diagnosed every week. It strikes young people in the prime of their lives.

Right now, there are over 130,000 people in Britain living with MS and there is no cure.

If you can make a donation, no matter how small, you can sponsor me, here:
<https://www.themay50k.co.uk/fundraisers/bethliassides>

Your donation will support the work of the MS International Federation and the UK MS Society, fund research into MS to develop better treatments, provide access to those treatments and find a cure for this cruel disease.

MOD Wrap Around Childcare

Dates for your diary

The next Bag2School collection is being held on **Thursday 29th June**. Please bring any unwanted clothing, bags, accessories (see [their website](#) for full details) into the school office during the week commencing 26th June. All funds raised will go towards developing our outdoor play areas.

Thursday 20th & Friday 21st July

Please note that on the last two days of the summer term pupils will be able to wear their own clothes to school in return for donations of clean and outgrown branded uniform, along with PE kits, trousers and skirts. Please note that we do not need any shirts/blouses at this time. We thank you for your support with this.

Year 6 Goblin Car Race Day – Monday 26th June

Tesco Community Grants Scheme

We're excited to inform you that Chesswood Junior School has been accepted by the Tesco Community Grants Scheme.

It is a scheme which gives community projects, like ours, to support our most disadvantaged pupils, providing enriched extra-curricular opportunities and experiences within the local area to help close the disadvantage gap.

Grants of up to £1,500 can be awarded to Chesswood Junior School.

Therefore, we need your help, and to support us next time you shop at Tesco visit any of the stores below from the **first week of July to end of September 23 and vote!** For further information please visit

Dear Parent/Carer of Y5 pupil at Chesswood Junior School

Bohunt School Worthing – Year 5 Taster Sessions on Friday 14 July 2023 at 9am

We would like to offer an opportunity for you and your child to attend a Year 5 Taster Session at Bohunt Worthing. This will provide your child with a useful and exciting insight into life in a secondary school as they start to prepare for the next phase of their education. It will also give you the opportunity to hear about our unique educational philosophy and answer questions about the transition process to better inform your decision in Year 6. We are really looking forward to welcoming you and your child to the session stated above.

Sports News

2023 Legacy Games

Over 50 pupils attended the annual Legacy Games at Worthing Leisure centre on Wednesday, with teams competing in cricket, handball (2 teams) and athletics.

Our cricketers had been practicing hard at our cricket club and ended up winning one of their 3 games beating Broadwater by 9 runs and then 2 close defeats meaning finishing 3rd in their group.

Team: Katerina, Haneen, Ben R, Ryan, Levi and Zephyr.

Handball – our popular lunchtime game served us well at the competition as we could enter 2 teams in the event. Our Blue team played well and worked hard as a team but only managed one win in their games. The Red team won 4 out the 5 games in the league section of the competition, beat the Vale in the semi-finals but narrowly lost out to the Orchards in the final 7-5.

Athletics – each year group competed in relay races, howler throws, long jumps, sprints and distance runs. Toby from Year 5 won the howler event for the boys in his year, Belle was second in the 600m, the Y3 girls relay lost out on gold by milometers on the line. We also has finalist with Bronte (y3 sprint), Victor (Y4 sprint), Jamila (Y5 sprint) and EJ (Y6 sprint) along with the relay teams from Y5 girls and both Y6 teams.

Upcoming Events:

- Tuesday 27th – Y3 Sports Day
- Tuesday 4th July – Y5 Sports Day

PE and School Sports Parent Survey

Please could you spare a few minutes to complete this short survey about PE at Chesswood

<https://forms.office.com/e/3BrMg0gj41>

Out of School achievements

“She puts her heart and soul into every match/training session and always turns up with a smile.” This is how Alexia was described when she won Manager’s Player of the Year for her Worthing Town team – words that the PE team certainly agree with!

Heath (also with Worthing Town) was awarded a trophy for all his hard work with his football team last season.

Sports Days Information

Sports Days will be starting after half term which each year group having their own dedicated morning to demonstrate their PE skills from things they have worked on during the year. Each event will start around 9.15am first event will be by 9.30am and will last until approximately 11am. Spectators are more than welcome to attend, entrance via the Ladydell Road entrance and must stay on the path along the side of the field.

Spectator **Safeguarding** Information for Sports Days

All spectators **MUST** enter and exit the school site via the Ladydell Road gate and stay along the path or by the gazebo (marked in yellow on the plan). Please keep off the field (unless you are taking part in the Parent’s Event and invited to do so). Please do not enter either building without being accompanied by a member of Chesswood staff or by reporting to school reception.

Behaviour

We are a safe and happy school because everyone shows ‘courtesy care and kindness’, if you witness any behaviour that concerns you please speak to a member of staff immediately.

Toilets

If you need the toilet during the event – please come to the Scoring Table by the shed (X) and we will advise you of which adult toilet to use.
DO NOT enter any school building without being accompanied by a member of school staff.

Photos / Filming

You are welcome to take photos/videos of your children but please do NOT post any photos online that include any other pupils.

In the event of an Emergency

If an incident occurs that requires the school to be evacuated – please could all spectators leave via the Ladydell Road gate. Members of staff will supervise the pupils and make sure they are safe. **DO NOT remove a Chesswood child from the premises.**

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one of many issues which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

What Parents & Carers Need to Know about AI VIRTUAL FRIENDS

Artificial intelligence – particularly in terms of how it generates natural language – has seen significant development over the last six months, with companies releasing new AI-based software or adding an AI element to existing apps (such as Snapchat, for example). One form of AI to become especially popular has been the 'AI friend' or chatbot, as children eagerly experiment with these new-found computer-generated companions. There are now numerous apps available with this 'virtual friend' functionality, with the likelihood of it being added to other successful platforms soon.

WHAT ARE THE RISKS?

CONTENT AND ACCOUNTABILITY

AI chatbots may not always be able to recognise when content is age inappropriate or harmful and should be filtered out. So there's a possibility that children could be exposed to offensive language or explicit material while conversing with their virtual friend. The companies producing such AI solutions are also unlikely to take responsibility for any content that their algorithms generate.

REDUCED SOCIAL CONTACT

An excessive reliance on chatbots for social interaction could potentially cause a child to begin reducing the amount of face-to-face communication they have, leading to social isolation. If young people become dependent on chatbots to provide companionship, it could very likely hinder the development of their real-life social skills.

LACK OF SENSITIVITY

Chatbot software isn't always sophisticated enough to pick up on subtle emotional cues or recognise signs of distress in children, as most humans would. It might therefore fail to respond appropriately. AI misinterpreting what it's being told or replying insensitively to a young user who's already struggling could potentially impact a child's emotional wellbeing or exacerbate any existing emotional issues.

UNINTENTIONAL BIAS

AI companions are only as reliable as the information they've been programmed with. The algorithms they use, therefore, may unintentionally promote bias, stereotypes or discriminatory behaviour (as many originate from the USA or the UK, for instance, they can display a distinctly western-centric worldview). This could lead to children developing skewed attitudes and behaviours.

COGNITIVE LIMITATIONS

Although many are now undeniably advanced, AI-powered chatbots still have limitations in terms of understanding complex concepts, context and nuance. Depending heavily on chatbots to help with learning or solving problems may stunt the development of a child's own powers of critical thinking, creativity and ability to engage in open-ended discussions with other people.

PRIVACY CONCERNS

Chatbots typically collect data about users, including personal information and conversations. This is ostensibly to improve their performance as they gradually learn about our behaviour – but many experts are warning that there may be significant risks associated with how this information is stored and used (the possibility of potential breaches or misuse by third parties, for instance).

Advice for Parents & Carers

CHAT ABOUT CHATBOTS

If your child is already expressing an interest in AI apps, a relaxed, natural chat should help you to discover which ones they're aware of and how they're using them (or are planning to). Discuss these options with your child and perhaps do your own research to ensure you think they're suitable. Once you're totally happy, you could sit with your young one and begin exploring AI chatbots together.

CREATE A SAFE ENVIRONMENT

If your child is keen to engage with AI chatbots, encourage them to do so in a safe environment: ideally in a shared space at home, so you can easily keep an eye and ear on their progress. Set up appropriate content filtering measures in advance – and gently remind them that you'll be close by and ready to help with any questions or concerns that may arise.

FIND A BALANCE

Work alongside your child to establish the right balance in terms of how they might use AI-powered chatbots – and when it's appropriate. It's important to make sure that children are still getting plenty of opportunities to learn to solve problems for themselves, as well as building their interpersonal skills through face-to-face conversations with friends, family members and teachers.

TAKE CONTROL

As with any form of app or game, when it comes to AI chatbots we'd strongly recommend that you consider employing parental controls (either on the device being used or within the software itself) to manage which apps your child can download and use. This is particularly important for younger children, who may be more at risk of being upset or frightened by inappropriate content.

RECOGNISE THE RISKS

It's unlikely that most children will have even considered the potential risks attached to having a virtual companion. So it's probably wise to explain some of the possible hazards and challenges of AI chatbots to your child. In particular, emphasise that AI isn't a real person (however much it might sound like one) and may occasionally tell them something that isn't entirely impartial or accurate.

Meet Our Expert

A Certified Information Systems Security Professional (CISSP), Gary Henderson is the Director of IT at a large boarding school in the UK, having previously taught in schools and colleges. In addition to the Middle East, with a particular interest in digital citizenship and cyber security, he believes it is essential that we become more aware of the risks around technology, as well as the benefits.

Worthing Harriers Junior Athletics

Join Worthing Harriers' junior athletics group for Year 6 athletes every Monday evening from 18:00 to 19:00. Our club takes a multi-event approach to training, providing younger athletes with a chance to try a variety of events, including Long Jump, High Jump, Sprints, Shot, Discus, Javelin, Hammer and Hurdles.

If your child is interested in trying athletics, get in touch with us via email for more information.
