Year 6 STEM and Science of Magic Workshops, Coastal Walk and Film Event

Dear Parent

Whilst some children are away at Bristol, we have planned a wonderful week of enrichment for children staying at Chesswood, including two trips, workshops and a creative competition.

On the morning of Monday 25th September, we will be visited by a local animation company who will be introducing pupils to a week-long competition to create their own stop-gap animation. They will return on the Friday to judge the entries and present the prizes.

On Tuesday, we will be visited by a local magician (David Croucher) who will run a Science of Magic workshop where pupils can learn about how to do different magic tricks. This will be followed by a Magic Show. Ali Khan from STEM Innovation will also be joining us to run a workshop entitled Sphero Ball Maze. Here pupils will build their own car and use code to navigate their way around the maze.

We are also taking part in a coastal walk on Wednesday 27th September where, weather permitting, pupils will walk from Chesswood to Shoreham Fort and take the train home. This is a great opportunity to explore the local area and how the coast has been used over time. We will be having lunch on the walk and children will need to bring a packed lunch for the day as well as a snack.

We will be walking down to the Dome Cinema on Thursday morning to watch a film (film to be confirmed.) Pupils are encouraged to bring their water bottles.

On both days out (Tuesday and Thursday) the children can wear their **PE kit or school uniform**. Trainers or sensible shoes must be worn.

We are asking parents/carers to make a voluntary contribution of £11.00 to cover the cost of the STEM and magic workshops and train fares and ensure these events can proceed. If you are not able to provide a donation of the full amount, please contact our Finance Administrator, Hannah Carter on finance@chesswood.w-sussex.sch.uk.

Payment may be made online via MyChildAtSchool (MCAS) or by cash or cheque. If paying by cash or cheque please complete and return the attached slip with your payment to the school office.

FUNDRAISING – SENSORY ROOM AND SUPPORT FOR DISADVANTAGE CHILDREN

My name is Mariana, my eldest child is about to finish year 3 at Chesswood Junior School. It has been an eventful year, but we have had incredible support from the Pastoral Team at Chesswood. This has allowed my little man to flourish despite the challenges that came with the transition to a new school. We have a bunch of very passionate, dedicated people trying to do the best for the kids at the school.

Sounds incredible, right?

Drum roll.....enter budget cuts.

There are major obstacles currently to providing the support children need in most schools, but in this case, I am fundraising for the following Chesswood Junior School projects

1. Development of a sensory room, £6000.

This will be amazing for neurodivergent children and any children struggling with the classroom environment, of which there are many. This funding will allow for a purpose-built space with the right resources and equipment. All these kids need is to feel safe and that they belong, and the correct sensory input at that point of dysregulation is of paramount importance to allow this. Let's make it happen.

2. Funds for disadvantaged children to engage in positive experiences in the community, £2000

Most of you are hopefully able to provide enriching experiences for your children, be it Christmas activities, visits to parks and activity centres or other fun things we all take for granted! If you are in the same advantaged position as my family is, you will not be able to easily imagine a reality where your children cannot engage in these socially enriching activities, right? Our community has many children in this situation. Chesswood has been inspiring in the way they are trying to improve these kids' lives but like everything else in our current economic situation....without funding, what one can do becomes quite limited.

I will face one of my ultimate fears and BUNGEE JUMP at BRIGHTON MARINA on the 3rd of SEPTEMBER (time TBA for any supporters!). Please help with ANYTHING you can, even £1 is £1 more for these kids. 100% of the proceeds will go directly to Chesswood, to be used specifically for the purposes above. I know I'm aiming high and of course I understand our current economic situation, but without dreaming a dream life makes little sense. I will be incredibly grateful for anything you can give, and your effort will be much appreciated.

Young Carers

Does your child or a child you know help to look after a relative with a disability, special needs, illness, mental health condition, or drug or alcohol problem?

Young carers may undertake all sorts of help, support and care activities beyond normal expectations of a child in the same age group i.e. beyond keeping the bed room tidy and helping with some household chores.

Examples of help, support and care activities

- Practical tasks, like cooking, housework and shopping.
- Physical care, such as helping someone out of bed.
- Emotional support, including talking to someone who is distressed.
- Personal care, such as helping someone dress.
- Managing the family budget and collecting prescriptions.
- Helping to give medicine.
- Helping someone communicate.
- Looking after brothers and sisters.

If you think your child could reasonably be considered a young carer please contact us by email

pastoral@chesswood.w-sussex.sch.uk

No access to email? Please call 01903 204141 and ask for a member of the pastoral team

Our pastoral team will be able to help secure access support for Young Carers

Staff changes

Staff leavers:

We have several members of staff that we will be saying goodbye to at the end of this school year. Plus, some new staff to welcome to Chesswood.

Tim Hicks – Year lead/Class Teacher

Tim has been at Chesswood since September 2016, teaching in Years 3 and 6 before becoming Year 5 and Reading Leader. He will be sorely missed as a fantastic teacher, colleague and friend. He has been inspirational in many aspects of his jobs and will leave a legacy of organisational efficiency, kindness and care of his colleagues and children. We wish him the best of luck with his new teaching ventures and hope that our paths will cross again in the future.

Jo Peace – Year lead/Class Teacher

Jo joined us in April 2017 with the unenviable task of improving English across the school; she leaves us having accomplished that task, leaving a legacy of planning and guidance that will be followed for years to come. Her exemplary teaching in Years 3 and 6 will always be remembered by her colleagues and pupils alike - she leaves us having achieved the best run of SATs results the school has ever achieved - we will also miss Jo's insight and kindness. We wish her all the best as she embarks on her journey into senior leadership.

Gaby Robinson-Wright – Class Teacher

On behalf of the Chesswood school community we would like to express our sincere admiration for Gaby's dedication to her roles throughout her time at Chesswood Junior School. Few could hope to match Gaby's care and attention of children in her care or the leadership of PHSE which is second to none! We wish Gaby every success and happiness in her new post.

Gemma Arkinstall – Temporary Class Teacher in Year 6, returning to direct supply teacher

We say goodbye to Gemma for a second time, after she answered our call to return on a short-term basis to teach in Year 6 this year. We thank her for her dedication and experience, she will be as missed as much as the first time, and who knows...perhaps this won't be the last goodbye? We wish her the best of luck in her future career.

Staff changes continued

Megan Phillips – Class Teacher

Megan is sadly leaving us at the end of this term and will really be missed. She is going to take some time to travel around the globe and to enjoy some new life experiences. Don't forget to send us some postcards of the various countries you visit.

Alex Goble – Teaching Assistant

We are very sorry to see Alex moving on but wish to thank her for all the support she's offered the children at Chesswood since she joined us in September 2021. She has worked right across the school both in terms of ages and also level of need, developing her expertise in supporting a wide range of children. We wish her well in her new school, taking happy memories of Chesswood with her. Thank you Alex.

Staff leavers

Jessica Buckley Dearing – Teaching Assistant

Jess joined us in January 2022. She has impressed us with her enthusiasm for the job – always willing to help out where needed. I know how much Jess has enjoyed working at Chesswood and we wish her the very best as she continues to develop her career. I'm sure you won't forget your time at Chesswood and we will remember you too as a dedicated member of the team. Thank you Jess.

Becky Ford – Teaching Assistant (commencing SCITT placement with Chesswood in September)

Becky is moving on to teacher training and we wish her all the very best with this. She has only been with us for a short period so we are delighted that she will be basing her training at Chesswood so we will still see her around school but in a different role. Thank you for your support in Yr6 this year, you always have a smile to share and you will be missed by the many children you've supported right across the year group.

Staff changes continued

Jorge Latter

We were delighted that Jorge was able to fly in to return to Chesswood and offer his support when we needed it for this Summer term in 3CH before moving on to his next adventures. We look forward to hearing about them!

Liz James

We'd like to thank Liz for her dedication in her support of children at Chesswood. She has worked with a number of children in her time with us and has really made a positive difference for them. We will miss your cheerfulness Liz and hope you keep in touch.

Nicola Soltermann – Office Administrator

We are very sorry to be saying goodbye to Nikki in the school office, she has been an amazing member of staff to work with and her expertise with leading on the Medical and Attendance has been exceptional. We will very much miss her in school office and send her our very best wishes for the future ahead.

What Parents & Carers Need to Know about

WAPP

AGE RESTRICTION
12+

on the App Store
Everyone on Google Play

WHAT ARE THE RISKS?

Developed in Germany, this social networking app is called 'W App' in the Apple Store and Google Play but is also branded as 'Slay' in some territories. Aimed primarily at teens and marketed as a 'zero-negativity' zone, it asks users to connect with others from their school. They are then asked a positive question (such as 'Who is the nicest person?') and shown four people from their school to choose from. All users from a school can appear in the poll: not just those a child is friends with. The app is mainly anonymous – but does offer clues to reveal who selected you for each question.

FAKE ACCOUNTS

There is no verification when signing up to W App. Once someone joins, they can see all users at their school and add them if they wish. Users provide their name, gender, school and grade – but are also able to change these (aside from their name) as often as they like. This concerned our expert: predators could potentially keep attempting to build connections with children at different schools.

PROFILE OVERSHARING

Young people tend to have multiple social media accounts, so it's vital their identity is protected online. By default, W App shares someone's school and grade, while users choose whether to share their full name, photo and other social accounts. Most people appear to select this – making it easier for someone to build up a picture of who they are, what they enjoy and where they go to school.

SPAMMING CONTACTS

The app's activity feed notifies a user when they have been put forward for a poll. They're then given the option to reveal the initial of the person who nominated them, by inviting a friend to join the app. The friend doesn't have to sign up, but they will receive a 'get the app now' text, followed by a link. This process could result in texts being continually sent to a child's contacts.

CATFISHING RISKS

As well as invented fake accounts, users could also sign up and pretend to be someone else from their school. By joining under another person's name (possibly with their photo), they can take part in polls while masquerading as that other person. Some polls hint at an attraction or crush, which – if deliberately misused by imposters – could result in misunderstandings and embarrassment for teens.

SUBSCRIPTION COSTS

W App is free to download and use, but there is also a 'gold membership' package (costing £4.99 per week) available. Subscribing allows users to reveal the names of people who selected them in polls (slightly defeating the point of it being an anonymous app), gives unlimited hints and offers exclusive play modes – all of which may tempt a curious young user into spending their money.

REPEATED USE

Like most other social media platforms, W App wants users to log in regularly. Every time someone completes a set of 12 polls, they earn virtual coins. These can be cashed in for perks such as being included in random polls (so that more users will see them) or adding their name to their crush's poll. This may not seem much of an incentive currently, but that may alter as the app evolves.

Advice for Parents & Carers

DISCUSS FRIEND REQUESTS

Talk to your child about the risk of sharing their other social accounts, especially on anonymous platforms where there is no verification – so a user could be anyone. If someone they don't normally talk to at school approaches your child via W App and suggests connecting on TikTok, Snapchat or Instagram, emphasise that it's safest to confirm it with that person face to face before accepting or replying.

PROTECT PERSONAL INFORMATION

It's crucial that trusted adults regularly remind children about the importance of not sharing too much of their personal information online (and demonstrate it on their own social accounts, where possible). W App automatically displays the user's school on their profile – but if your child does want to use the app, you can advise them to only enter their first name and not to upload an image of their face.

BE MINDFUL OF REJECTION

The polls in W App are designed to be complimentary rather than negative. However, never being nominated or picked by their peers could leave a child – especially a status-conscious teen – feeling ignored and isolated. If you think that W App is having this effect on your child, it might be time for a supportive reminder that social media doesn't reflect someone's true worth or popularity.

DO SOME 'APP ADMIN'

Before letting your child download W App, you may want to (via their device's settings) disable the option to make in-app purchases: £4.99 per week for the subscription can soon mount up. Likewise, if a friend's use of W App is causing your child to be inundated with texts inviting them to sign up too, you could suggest asking that friend to stop selecting your child's name from their contacts list.

RE: Autumn Open Events – St Andrew's C of E High School

Dear parent/carer,

It has been a pleasure to meet many families at our summer open mornings, allowing the young people to explore lessons and get a feel for our school community.

We have now opened bookings for our Autumn Open Events, and would very much like to invite you to book on to one or more of the following. Spaces on tours and open morning events are limited, so please book early to avoid disappointment.

Open Evening: Headteacher's presentation – [click here to book a space](#)

Our official open evening is on Tuesday 19th September, 4.30pm to 7pm. You are welcome to attend without booking, but to allow us to manage logistics would do ask families to indicate which of the two headteacher's presentations they will be attending. Presentation 1 will be at 5pm, and presentation 2 will be at approximately 6pm. They will be approximately 30 minutes in length.

Open Mornings – [click here to book a space](#)

These events are 2 hours in length, from 9am to 11am, and include a student led tour, a lesson taster for your child and a presentation from the Headteacher. There is an opportunity following the presentation to meet the leadership team and ask any questions that weren't covered by the students in the tour. This is an excellent way to truly get to know our community. These mornings will only run on October 2nd, 3rd and 4th and be limited in the number of spaces. Please book early to avoid disappointment.

Morning or Afternoon tours: [Click here](#) to book a morning tour. [Click here](#) to book an afternoon tour

These events are 1 hour in length and include a group tour led by a member of leadership. You will see lessons in action and have the opportunity to ask questions as you tour. These tours will run Monday to Friday on the week beginning September 25th at 9am and again at 3.30pm. Morning tours will also run on the week beginning October 9th.

SEND tours

Due to the personal nature of each young person's SEND, these tours are booked individually with our SENDCO. Please email SEND@sta-worthing.com to arrange a tour.

We hope to meet you soon at one of our events – but please do get in touch should you have any questions in the meantime.

Yours sincerely,

Mia Lowney
Headteacher

Respect • Responsibility • Integrity

Dear Parents and Carers

We are excited to invite you to our school **Open Event on Saturday 23 September 2023** from 9am to 1pm, last entry at 12.30pm.

As you will note, following excellent feedback last year, we have taken the decision to hold this event on a Saturday.

Worthing High is a very popular, successful and oversubscribed school. The school is founded on strong Core values: Integrity, Community, Excellence, Respect and Resilience. All students in our school community have the right to learn and thrive in an environment, which is calm, safe and secure. This ensures that all students reach their full potential.

The programme outlining events and performances will be shared with you on arrival. Student guides will direct you to your points of interest.

Due to the high demand there will be three opportunities to observe the Executive Headteacher and Head of School's presentation, they will be at 9.30am, 10.30am and 11.30am in the Millennium Hall this will also be an opportunity to hear from the student leadership team and some of our current year 7 students. **Links are below to book your place for one of the three sessions. Bookings are now open**
