BSW Open Evening 28 September

Bohunt School Worthing would like to welcome you to our Open Mornings and Open evening to provide you with a firsthand experience of life within our school.

Choosing a secondary school can be a very hard decision for you and your child, and the open events are specifically tailored to support you in this decision making process.

Our Open mornings are running from 8:55am until 10:00am and are bookable via a pop up on the front page of our school website www.bohuntworthing.com. They will consist of a short presentation by our Headteacher Mr Collin or Assistant Headteacher Mr Cordwell, followed by a student led tour by our Year 8 pupils, with a question and answer session at the end.

Our Open evening starts at 6:00pm and is a free for all event with no need to pre-book. The open evening is a fun, yet informative insight into our school here at Bohunt, and will enable you to meet teachers, ask questions, and get a real feel for the academic and educational community that we pride ourselves on. We will also be opening our classrooms up so that yourself and your child can get stuck in with experiments and creativity. It is going to be a ROAAARRRsome event!

Please be advised that there is no parking on site, so please park considerately on the local roads and allow time to walk in through the main entrance. *

*please advise us if you are disabled, we have limited allocated disabled parking and we can book a space for you. Please email info@bohuntworthing.com with details of your car registration and open morning booking day for us to reserve a space.

We look forward to welcoming you and your family on your chosen date!

Best Wishes,

Mr P Collin
