However please ensure they wear trainers.

Children who have a sibling in school should also wear their uniform on Tuesday.

Should you have any questions, please speak with a member of the admin team either by visiting reception, calling 01903 204141 or emailing [office@chesswood.w-sussex.sch.uk](mailto:office@chesswood.w-sussex.sch.uk).

## MEDICATION IN SCHOOL

This email is a reminder of the school's policy on the administration of prescribed and non-prescribed medication to pupils, based on guidance and regulations issued by Dept of Health.

**FOR THE SAFETY OF ALL PUPILS, CHILDREN SHOULD NEVER CARRY MEDICATION (INCLUDING THROAT SWEETS) ON THEIR PERSON OR IN THEIR SCHOOL BAGS. ALL MEDICATION MUST BE HANDED IN TO THE SCHOOL OFFICE.**

### Prescribed medication

In most circumstances, medication (e.g. antibiotics) prescribed three times a day can be taken at home

- before school,
- after school
- before bedtime.

However, if your child is required to take prescribed medication four times a day or at set times (such as prior to a meal), clear written instructions must be provided, and the medicine must be kept in a properly labelled container.

The label must be clear and free from alterations or defacement and must show:

- The name of the medication
- The name of the student
- The dosage
- Specific directions for the medication (not simply "as directed" or "as required")
- The name of the dispensing pharmacist/doctor
- The expiry date and the date of issue

A parental agreement form for administering prescribed medication must be completed prior to the medication being administered. The form can be found on our website:

HOME > PASTORAL > MEDICAL INTERVENTION > PRESCRIBED MEDICATION

## ABSENCE REPORTING

If your child is absent from school for any reason, (including medical appointments) please report their absent via our online Reporting Sickness Absence form. The absence reporting form can be accessed by clicking [HERE](#) or by visiting the school website:

HOME > PARENTS > ATTENDANCE & PUNCTUALITY > REPORTING SICKNESS ABSENCE

Their absence should be reported by 9.00am each day of their absence.

Your message should clearly state:

- Child's name
- Class
- Reason for absence (if illness please specify the nature of the illness)

If the school does not receive a reason for your child's absence, we will call home to confirm a reason. If we are unable to contact you for confirmation, we will log the absence as unauthorised.

If you repeatedly fail to inform the school, why your child is absent we will follow up as a child missing in education/safeguarding concern.

To the Parents of:  
All Year 6 Pupils  
in West Sussex schools

Dear Parent

#### Transfer to Secondary School – September 2024

You have been sent this letter because your child needs to change school at the end of this academic year and it contains information about applying for a **secondary** school place for September 2024.

*If your child has an Education Health Care Plan, or you are resident outside West Sussex, different arrangements apply. Please see overleaf.*

This letter contains important information about applying online and the benefits of doing so. We strongly recommend that you keep the letter safe until after you have received confirmation of your child's school place for September 2024. We have also enclosed with this letter a checklist of actions parents need to consider before submitting your preferences, we hope you find it useful. To check the catchment school for your address please go to [www.westsussex.gov.uk/admissions](http://www.westsussex.gov.uk/admissions).

#### Apply online from Monday 4 September 2023

It is easy and safe to apply for a **secondary** school place online by logging on to [www.westsussex.gov.uk/admissions](http://www.westsussex.gov.uk/admissions). Please read the relevant pages on the website before you begin your application. Please be aware that the email address that you provide will be shared with the allocated and preference schools, as parents and schools increasingly communicate electronically.

If you do not have access to the internet, either at home or at work, free internet access to make school applications is available at all West Sussex libraries and Children and Family Centres.

#### Preparing to make an online application

To make an application using the online system you will need an email address, and to create a password if you do not already have an account on parent portal.

The username will be your email address.

The password must adhere to the following rules, it must be:

- At least 8 characters long

- At least one character UPPERCASE
- At least one character lowercase
- At least one special character (i.e. \* ! \$ not a number or letter)
- At least one number

The deadline for receipt of all applications is Tuesday 31 October 2023.

If you have to apply using a paper form, please telephone 03330 142 903 to request one. It is your responsibility to ensure the form is received by your local primary school or the Pupil Admissions Team by 31<sup>st</sup> October 2023. If sending to the Pupil Admissions Team, the application should be sent using recorded delivery. Parents should note that schools are closed for half term between 23<sup>rd</sup> and 27<sup>th</sup> October and will be unable to take receipt of forms during this period. ## Year 6 STEM and Science of Magic Workshops, Coastal Walk and Film Event

Dear Parent

Whilst some children are away at Bristol, we have planned a wonderful week of enrichment for children staying at Chesswood, including two trips, workshops and a creative competition.

On the morning of Monday 25<sup>th</sup> September, we will be visited by a local animation company who will be introducing pupils to a week-long competition to create their own stop-gap animation. They will return on the Friday to judge the entries and present the prizes.

On Tuesday, we will be visited by a local magician (David Croucher) who will run a Science of Magic workshop where pupils can learn about how to do different magic tricks. This will be followed by a Magic Show. Ali Khan from STEM Innovation will also be joining us to run a workshop entitled Sphero Ball Maze. Here pupils will build their own car and use code to navigate their way around the maze.

We are also taking part in a coastal walk on Wednesday 27<sup>th</sup> September where, weather permitting, pupils will walk from Chesswood to Shoreham Port and take the train home. This is a great opportunity to explore the local area and how the coast has been used over time. We will be having lunch on the walk and children will need to bring a packed lunch for the day as well as a snack.

We will be walking down to the Dome Cinema on Thursday morning to watch a film (film to be confirmed.) Pupils are encouraged to bring their water bottles.

On both days out (Tuesday and Thursday) the children can wear their **PE kit or school uniform**. Trainers or sensible shoes must be worn.

We are asking parents/carers to make a voluntary contribution of £11.00 to cover the cost of the STEM and magic workshops and train fares and ensure these events can proceed. If you are not able to provide a donation of the full amount, please contact our Finance Administrator, Hannah Carter on [finance@chesswood.w-sussex.sch.uk](mailto:finance@chesswood.w-sussex.sch.uk).

Payment may be made online via MyChildAtSchool (MCAS) or by cash or cheque. If paying by cash or cheque please complete and return the attached slip with your payment to the school office.

## Year 3 Visit by Zoolab – 29<sup>th</sup> September 2023

We are delighted to welcome Zoolab to Chesswood on **Friday 29<sup>th</sup> September 2023** to provide our children with an exciting learning opportunity where they will learn that:

- Some animals have skeletons and some don't
- Some animals have internal skeletons and exoskeletons
- All animals have muscles which enable them to move.

Zoolab will bring a selection of relevant animals into Chesswood which the children will observe and have the opportunity to handle if they would like to. Through this, our science topic will come to life and provide a real life context to further enhance their learning.

## Year 3 Visit by Worthing Museum Outreach – 14<sup>th</sup>, 16<sup>th</sup> & 17<sup>th</sup> November 2023

As part of our 'Stones and Bones' topic we have arranged a visit from Worthing Museum who will run a workshop with the children. The workshop will help the children to understand how we know what happened in the past with a particular focus on archaeology and they will develop a better understanding of The Stone Age. Each class will have the opportunity to participate in a set of activities, which include handling artefacts, an archaeological dig and map work.

The total cost of the visits to the school is £10.00 per pupil (these will show as two separate trips on MCAS but can be paid for at the same time). We are asking parents/carers to make a voluntary contribution of £10.00 to cover our expenses and ensure that the visit can proceed. ### Safeguarding – Ladydell & Chesswood Rd Crossing

#### IMPORTANT FAMILY ACTION NEEDED

Dear Parent,

This letter is being resent to include all new and existing families (first shared in July). ALL families are asked to respond to a survey no later than 18<sup>th</sup> September. It will then close and decisions will be taken regarding the installation of additional road safety measures including a four way crossing and a school street vastly improving child and family safety.

To be taken to the page where you will be able to share your thoughts with the West Sussex transport team, please click on this link: [https://yourvoice.westsussex.gov.uk/transport-engagement/survey\\_tools/chesswood-school-worthing-perception-survey](https://yourvoice.westsussex.gov.uk/transport-engagement/survey_tools/chesswood-school-worthing-perception-survey)

The team are looking to gather any comments, data or thoughts on the CURRENT crossing situation and location, your perception of its safety, accessibility and use. These can be emailed directly to [tip.team@westsussex.gov.uk](mailto:tip.team@westsussex.gov.uk).

#### **Background**

In September 2020, school leaders requested feedback from all families about their experiences travelling to and from school, particularly their experience of safety for children on the Ladydell road section at the end of the school field and the Ladydell/ Chesswood Road crossing. The concerns from families were stark - over one third reporting they had had near misses at the locations

above. Two thirds believed the areas were either very or extremely unsafe. Since that time we have worked with a wide range of officials, officers and councillors to raise the issues and seek to reduce the safety risk for children and families. The result has been some initial work in Ladydell road. However, the important work of an installing a crossing is next. IF there is enough COMMUNITY SUPPORT from families it will increase the likelihood of securing this critical safety crossing. As a result of the concerns shared by families, we hope ALL families will complete the POLL and SUPPORT the installation of the crossing. Gaining the SUPPORT of all families at Chesswood will provide the best chance for it to go ahead and to vastly improve the safety of children for years to come. PLEASE follow the links below to SUPPORT this vital project. Without overwhelming support and your action completing the POLL the project may well not go ahead.

### **Please**

- 1. Act today to SUPPORT the installation and to share your views – this is our best chance to vastly improve child and family safety on the way to and from school for years to come.**

- 2. Share with family and friends to SUPPORT the project**

Scarlett received a Blue Peter badge for her efforts to help the environment during the holidays. Please see photos attached.

Scarlet quoted;

**"We went to the park with a litter picker, some gloves and a black sack to collect all of the rubbish. We found all sorts such as cans, bottles, vapes, wrappers and paper. This was terrible to see and is such a danger to the wildlife that enters the park. When we saw the park looking spotless, we were so proud of ourselves. It doesn't hurt to help save the environment!"**

# What Parents & Carers Need to Know about LIVE STREAMING

Live streaming involves broadcasting and watching videos online in real time, often on social media or via platforms like YouTube and Twitch. Viewers can interact through comments, chats and reactions during the broadcast: such instant engagement makes this an exciting way to share experiences, learn from others and build digital communities. Despite the many positives, live streaming also creates a potential platform for unsuitable content and poses some risks to children: it's essential to keep privacy and safety in mind and comply with each site or app's age restrictions.

## WHAT ARE THE RISKS?

### LACK OF AGE VERIFICATION

Despite their age restrictions, some platforms don't require proof of age at sign up – meaning that anyone can register for an account (and potentially pretend to be older or younger than they actually are). In many cases, this means that young live streamers can never be totally certain exactly who they are broadcasting to and who is engaging with their live stream.

### DISCLOSING PERSONAL INFO

A characteristic of live streaming is the ability for videos to be instantly shared worldwide. Without the correct privacy settings enabled, a child could inadvertently reveal personal information or their location, making them vulnerable to online predators or identity theft. It's wise to regularly check the privacy settings (and what data is being shared) on any apps your child has signed up for.

### ANYTHING COULD HAPPEN

As the video streams are live, children might encounter (or inadvertently share) inappropriate content. Most live-streaming apps have rules to prevent this and monitor their services, also providing report buttons where content can be flagged for review. It may not be dealt with instantly, however, meaning that your child could be further exposed to harmful content during a live stream.

**AGE RESTRICTION**  
13+  
16+  
18+  
Age varies by platform

### UNAUTHORISED RECORDINGS

Each live streaming platform stores completed videos for different periods (Twitch saves broadcasts for 60 days, for example, while Facebook and YouTube remove them only at the creator's request). Deleting a video, though, doesn't always stop it from being shared: in some cases, streams have been illegally recorded (or screen shots taken) by certain viewers and redistributed on other sites.

### ROGUE CONTENT CREATORS

Children can also watch other people's live streams, which could potentially contain anything at any time (such as nudity, drug use or profanity). Most apps claim to monitor live streams and will stop any that don't adhere to their guidelines – but with millions of streams per day, it's complicated to regulate them all, so children could be exposed to inappropriate content without parents knowing.

### DANGER OF GROOMING

There are increasing reports of children being coerced into performing "suggestive acts" by strangers on some live-streaming apps. Due to the lack of verification required for certain apps, almost anyone can sign up to these services (including anonymously or under a fake identity). It's vital, therefore, to ensure the correct safety measures are in place before your child begins live streaming.

## Advice for Parents & Carers

### PUT PRIVACY FIRST

Through the streaming app's settings, switch your child's account to 'private', so only their friends and followers can see their broadcasts. You could also turn off the live chat, shielding your child from any upsetting comments – although viewers' feedback is often seen as an integral part of the fun. Identify any nearby items (such as school uniforms or visible landmarks) that could give away your child's location.

### MANAGE MULTISTREAMING

Some apps and sites let users stream their content through multiple social media platforms at once. A broadcast on SteamTV, for example, can be shared on YouTube, Twitch, X and Facebook if the accounts are linked. The privacy settings can differ on each of these, so we'd suggest only streaming via one platform at a time to maintain greater control over who's watching your child's videos.

### GET INVOLVED YOURSELF

Research suggests a significant number of streams show a child on their own, often in a supposed safe space like their bedroom. If your child wants to live stream, ask if you could be present because you're interested in how it works. You could even set up your own account to gain a more detailed knowledge of what your child talks about in their live streams – and who they're broadcasting to.

### TALK ABOUT LIVE STREAMING

Try to start with positives before discussing potential risks. You could ask which live streaming apps your child likes and how they use them. Do they just watch streams or create their own? Explain why it's unwise to reveal personal information while streaming (even to friends). If you feel your child's too young for live streams, explain your reasoning to them and perhaps agree to review this decision in the future.

### CONSIDER THEIR ONLINE REPUTATION

As the broadcasts are live, it often causes the misconception among young people that whatever happens in their video simply 'vanishes' once the stream ends. However, videos can stay online indefinitely or be recorded by other users. It's important that your child understands what they do and say in a live stream could potentially damage their online reputation and, quite possibly, be seen by prospective future employers, colleges or universities.

RE: Autumn Open Events – St Andrew's CE High School

Dear parent/carer,

It has been a pleasure to meet many families at our summer open mornings, allowing the young people to explore lessons and get a feel for our school community.

We have now opened bookings for our Autumn Open Events, and would very much like to invite you to book on to one or more of the following. Spaces on tours and open morning events are limited, so please book early to avoid disappointment.

Open Evening, Headteacher's presentation – [click here to book a space](#)

Our official open evening is on Tuesday 19<sup>th</sup> September, 4.30pm to 7pm. You are welcome to attend without booking, but to allow us to manage logistics would ask families to indicate which of the two headteacher's presentations they will be attending. Presentation 1 will be at 5pm, and presentation 2 will be at approximately 6pm. They will be approximately 30 minutes in length.

Open Mornings – [click here to book a space](#)

These events are 2 hours in length, from 9am to 11am, and include a student led tour, a lesson taster for your child and a presentation from the Headteacher. There is an opportunity following the presentation to meet the leadership team and ask any questions that weren't covered by the students in the tour. This is an excellent way to truly get to know our community. These mornings will only run on October 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> and be limited in the number of spaces. Please book early to avoid disappointment.

Morning or Afternoon tours: [Click here](#) to book a morning tour. [Click here](#) to book an afternoon tour

These events are 1 hour in length and include a group tour led by a member of leadership. You will see lessons in action and have the opportunity to ask questions as you tour. These tours will run Monday to Friday on the week beginning September 25<sup>th</sup> at 9am and again at 3.30pm. Morning tours will also run on the week beginning October 9<sup>th</sup>.

SEND tours

Due to the personal nature of each young person's SEND, these tours are booked individually with our SENDCO. Please email [SEND@sta-worthing.com](mailto:SEND@sta-worthing.com) to arrange a tour.

We hope to meet you soon at one of our events – but please do get in touch should you have any questions in the meantime.

Yours sincerely,

Mia Lowney  
Headteacher

Respect • Responsibility • Integrity

Dear Parents and Carers

We are excited to invite you to our school Open Event on Saturday 23 September 2023 from 9am to 1pm, last entry at 12.30pm.

As you will note, following excellent feedback last year, we have taken the decision to hold this event on a Saturday.

Worthing High is a very popular, successful and oversubscribed school. The school is founded on strong Core values: Integrity, Community, Excellence, Respect and Resilience. All students in our school community have the right to learn and thrive in an environment, which is calm, safe and secure. This ensures that all students reach their full potential.

The programme outlining events and performances will be shared with you on arrival. Student guides will direct you to your points of interest.

Due to the high demand there will be three opportunities to observe the Executive Headteacher and Head of School's presentation, they will be at 9.30am, 10.30am and 11.30am in the Millennium Hall this will also be an opportunity to hear from the student leadership team and some of our current year 7 students. Links are below to book your place for one of the three sessions. **Bookings are now open**

Whether our child has never played rugby before or has been playing for years, we welcome all to come along and give it a try this September.

First session of the season is 9am on Sunday 3rd September. Girls and Boys welcome.

The first four weeks are free to give it a go, with individual and family memberships available.
